Selecting Fit Criteria

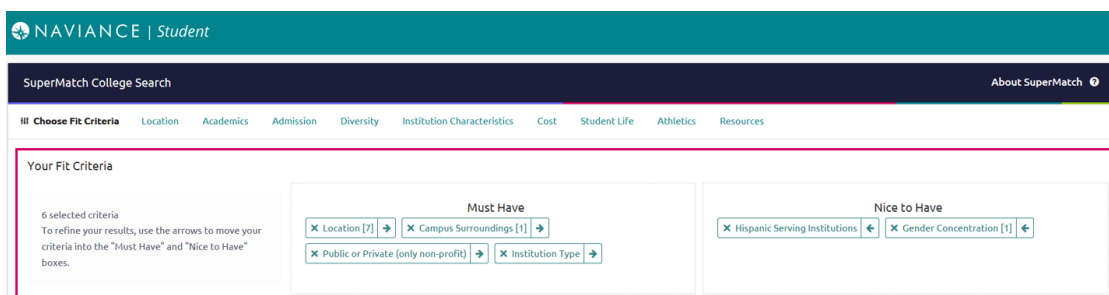

1. Use the **Choose Fit Criteria** navigation menu at the top to select criteria based on what you are looking for in your college experience. You do not need to select something under every category; only select the criteria which are most important to you.

2. Click on the **Tool Tips** icon  throughout the search tool to read definitions for common concepts and terminology.

3. As fit criteria are selected, they populate in the **Must Have** box. You can also move criteria between the **Must Have** and **Nice to Have** boxes depending on level of importance to you. Moving your criteria between these two categories of importance will refine your college search results below.
