Your current email address

Default homepage

Set Google as my default homepage.

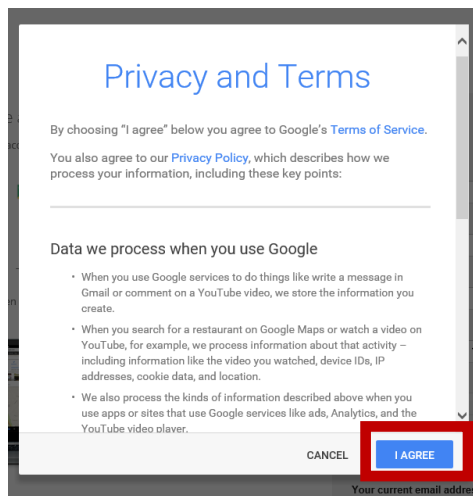

Your default homepage in your browser is the first page that appears when you open your browser.

Location

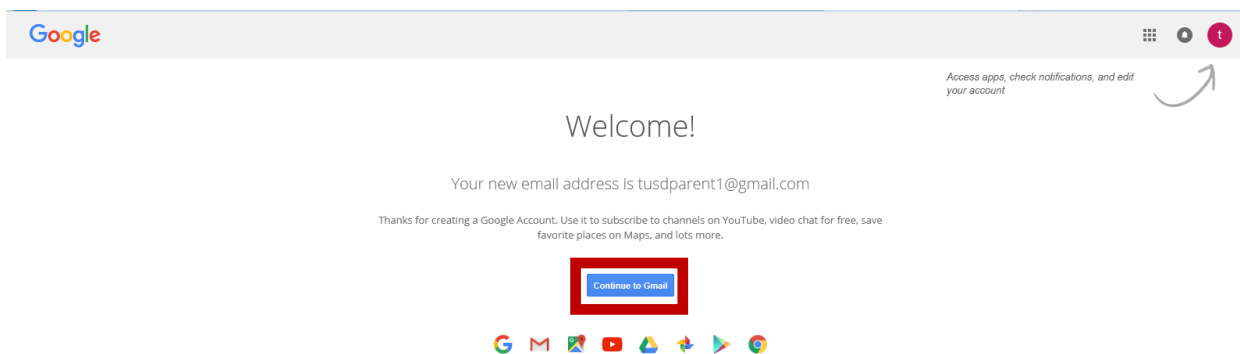

United States

Next step

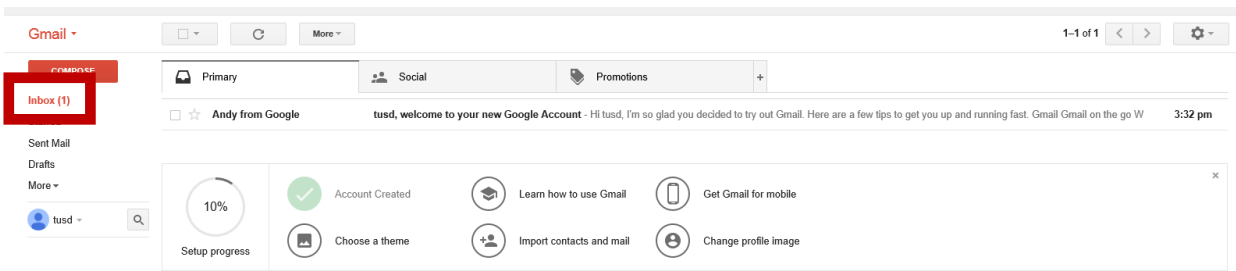

- Enter your first and last name
- Enter your user name (email name)
- Enter and confirm a password (write it down)
- Put in your date of birth and gender
- Press the Next Step button

- Scroll down in the Privacy and Terms window until the I Agree is available to click.

- Click on the Continue to Gmail button.

Here you will see any email sent to you using this email address.

To gain access to your email at a later time:

- Go back to gmail.com
- Click on the SIGN IN option

- Enter your email name and password to return to your email's inbox.

One account. All of Google.

Sign in to continue to Gmail

A sign-in form for Gmail. It features a large grey circle with a person icon inside. Below the icon is a text input field with the placeholder text 'Enter your email'. Underneath the input field is a blue button with the text 'Next'. To the right of the 'Next' button is a link that says 'Need help?'.
