

## **GRANT OPPORTUNITIES AND GIFTS**

### **Grant Opportunities**

It is the policy of Puget Sound Educational Service District (PSESD) to pursue funding opportunities that are consistent with district priorities from federal, state, and other governmental units, as well as from private and foundation sources. PSESD may seek funding as follows:

- The grant or contract is aligned with the agency's Ends
- The grant or contract does not divert PSESD efforts away from its primary mission.

### **Gifts**

The Superintendent recognizes that there exist many patrons who may wish to express their support of PSESD directives and provide resources for such purposes. In support of such wishes, the Superintendent may accept, receive and administer such gifts, grants, conveyances, devises and bequests of personal property for the benefit of the agency.
