Haverford High School

200 Mill Road
Havertown, PA 19083

To The Parent/Guardian of Visiting Student:

Thank you for your interest in Haverford High School. We encourage students to take part in our Shadowing Program that allows outside students who are interested in enrolling here to shadow a current student. Please sign this form and include your emergency contact number(s). Please also have the visiting student sign as an agreement that he/she will act according to school rules and regulations. Please also note, in addition to this form, permission from the student's current school, in writing, is required before approval can be granted.

Students from other schools: Visitors to the high school must be students who are considering attending Haverford High school in the next few months or the following school year. No one can be admitted without this clearance that must be obtained at least 24 hours in advance.

_____ is permitted to participate in the Student Shadowing program.
