

We have some exciting
news to share.

The myPARISH Alumni Online Directory is Here!

As part of the Parish family, we hope you will use the Alumni Directory for a few reasons:

- 1 You can stay connected with your Parish classmates and families. Current alumni and parent of alumni information is essential to keeping the Parish Alumni Directory up to date so you can stay connected with the Parish Panther family.
- 2 Up to date information allows the Parish Alumni Association to keep you informed of important happenings at Parish, assists with invites to alumni and parent of alumni events, and helps us to stay in touch with our Parish alumni family!
- 3 You will be able to access myPARISH calendar upon log in and sync your calendar with various alumni events and school happenings throughout the year.

We've done our best to gather our current information listed in our alumni and parent of alumni database but we need your assistance to confirm that your profile is accurate so that you and your fellow alumni have the best directory user experience!

NOTE: Parish Episcopal Alumni and Parents of Alumni will have access to our online directory 24/7, though information is limited to what Alumni and parents of alumni choose to display in their alumni and parent of alumni profile.
