LACKLAND INDEPENDENT SCHOOL DISTRICT

Lackland ISD Petition to Consider Designation as a District of Innovation

Per Texas Education Code 12A.001 and Section 39.054, Lackland Independent School District is eligible for designation as a district of innovation based on the most recent performance rating of Acceptable. In this regard, the Lackland Independent School District Education Improvement Council that serves as the District Advisory Committee as outlined in Section 11.251 of the Texas Education Code, enters this petition to the presiding officer and members of the Board of Trustees for the expressed purpose of soliciting permission to engage learning organization stakeholders in the development of a plan of innovation. The plan would include the justification of potential waivers and exemptions designed to provide flexible alternatives and support the district's ability to meet the unique needs of our military-connected student population.

The undersigned listed below indicate favorable / unfavorable support of this position recognizing that a favorable response from the majority carries this petition forward.

Printed Name	Committee Position	Signature	Date	Indicate Favor or Opposition
Heineman, Theresa	Teacher		2-14-17	F
Cardenas, Carol	Teacher		2/6/17	F
