1. Jenny Pitt welcomed the members of the community council. Tanja Watts made a motion to approve the minutes of the April 18, 2018 meeting – 2<sup>nd</sup> by Jenny Pitt.
2. Ben Hill distributed a copy of the 2018-19 Composite School Plan and reviewed the plan page by page. He referenced the Unique Features and Challenges section on page 3. He pointed out how the school is in transition right now due to construction and the new high school that will open in Farmington in the fall. Not only is this a remodel of our building but it is an opportunity to remodel our approach to Blended Learning and embracing all of the changes. Tanja Watts made a motion to approve the goals as set forth for next school year – 2<sup>nd</sup> by Ben Hill. All were in favor of approving the plan as presented.
3. Jason Smith introduced two of next years student body officers. He took a few minutes to talk about the transition challenges ahead. Viewmont is moving from a student body of around 1900 students to roughly 1400 and will be losing around 13 teaches due to the boundary changes and the new high school. Our goal and challenge is to do all that we can to help the new students – especially the students from West Bountiful feel welcome, included, and happy to be a Viking. The SBO's and counselors have great ideas that are underway already.
4. The community council will meet again May 16, 2018.
5. Jenny Pitt made a motion to adjourn – 2<sup>nd</sup> by Ben Hill
