AGENDA ITEMS	DISCUSSION AND DECISIONS
Introductions	Committee members introduced themselves
Review purpose of committee	To review the HG&D curriculum and to make a recommendation to the school board.
Discussion	<p>The committee reviewed what CASEL is and why the committee wanted to add these outcomes. All agreed that these were a valuable addition.</p> <p>The committee reviewed changes that were previously noted on the grids and discussed changing wording to the CASEL outcomes. Requests were made to change “to” to “for” and “your” to “my” in various outcomes. The committee reviewed outcomes for wording consistency throughout the grades and reviewed the state standard chart for accuracy.</p> <p>The committee recommends to move Health to an option in 9th or 10th grade.</p>
Consensus	Committee agreed that proposed outcomes with revisions agreed upon this evening will be taken to the Teaching and Learning Committee on August 16th.
Adjournment	Scott Wheeler adjourned the meeting at 7:42pm
