

Summer 2018

Dear 6th grade parents and students,

Welcome to Wood Oaks Junior High! We hope this letter finds you enjoying a restful and relaxing summer vacation. We are looking forward to meeting each of you and starting a productive school year. Through a partnership of parents, students, and teachers, we believe that a successful 6th grade year will be possible for your child.

You will find a supply list for this coming school year attached to this letter. Please note that the supplies listed are needed to start the school year. As the year progresses, additional materials such as spirals, folders, and pencils will need to be replaced. There is also an occasional project that may require special supplies.

Next year, each student will be traveling from class to class, and it is essential for them to stay organized. You may wish to purchase lightweight morning and afternoon trappers or accordion files to organize materials. In addition, students are allowed to carry a **small** bag to each class. This bag needs be able to fit underneath a desk. Traditional backpacks and larger bags are **not** permitted in the classroom.

As you begin thinking about the coming school year, please let me know there is any information the sixth grade team should know in order to best support your child. Please email or call me at any point in the school year, and I will share the information with your child's teachers. The sixth grade teachers are looking forward to meeting you all this August!

Hope your family enjoys the rest of your summer!
