

eConnect – Forgot/Reset Password Instructions

Type the eConnect web address in the address bar.

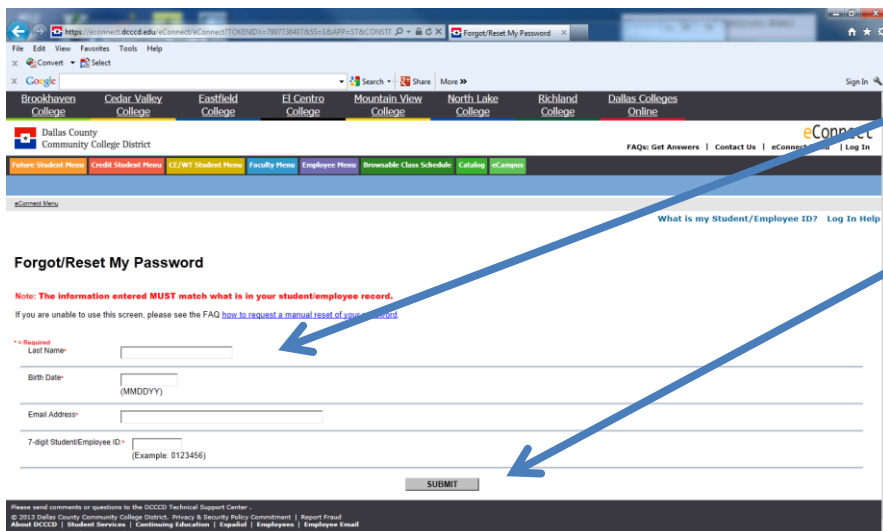

<http://econnect.dcccd.edu>

Select Current Credit Student Menu

Select Forgot/Reset my password

NOTE: If you do not know your student ID you will select Get My Student/Employee ID. You will need to enter your Last Name, DOB, and Social Security to retrieve your Student ID#

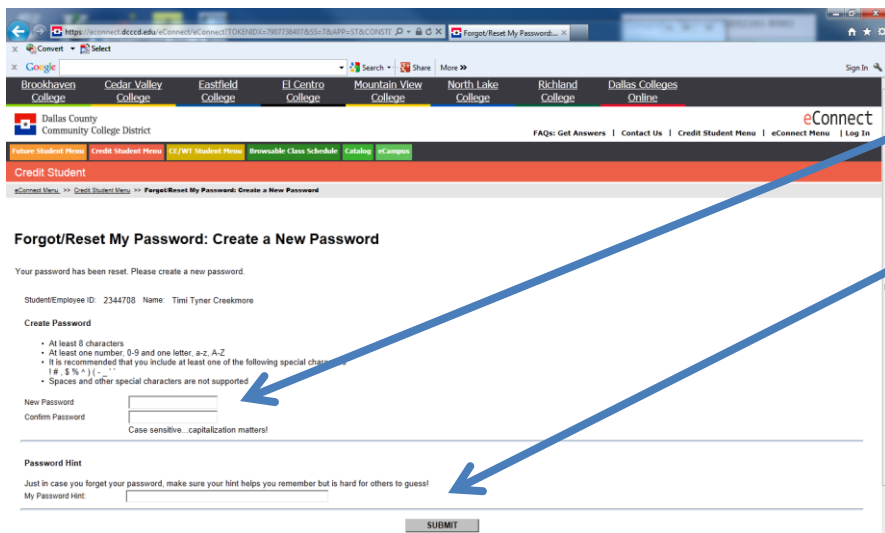

Enter Your Last Name, Date of Birth, email address you have on file at DCCCD, and your student ID#.

Submit.

IF everything does not match the information you have on file with Eastfield you will not be able to reset your password. Please check with one of your instructors or Mrs. Creekmore to verify your information on record. You can also call an advisor in the dual credit office at **972-860-7024**.

eConnect – Forgot/Reset Password Instructions

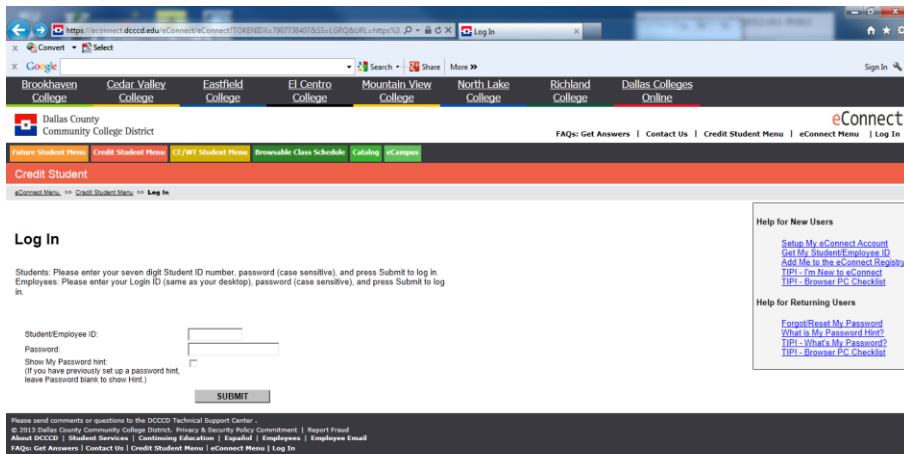

You will create your new password. **Please make sure you type a detailed password hint.**

Submit.

Example: password

Louise01

Hint: middle name 01

Now you may login to your eConnect account.

After you login please check your profile to make sure your address, phone number, email, etc. is accurate.
