5. **Personal space / Touching**

When I am at school, 

There are many boys and girls to talk and play with. 

Sometimes I will be excited to talk or play with another boy or girl.

It is okay that I want to talk or play with another boy or girl.

I can talk or play when the teacher says it is okay.

When I want to talk or play with another boy or girl, 

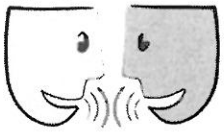

I will not touch or grab the boy or girl.

Other boys and girls do not like it when I touch or grab them.

When I want to talk or play with another boy or girl, 

I will say, "Hello," or "Do you want to play?" 

And the boy or girl will talk or play with me.

When I am at school, 

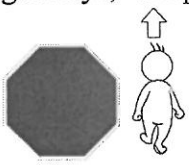

There are many boys and girls to talk and play with. 

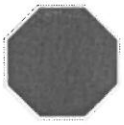

Sometimes I will be excited to talk or play with another boy or girl. 

It is okay that I want to talk or play with another boy or girl. 

I can talk or play when the teacher says it is okay. 

But when another boy or girl says, "Stop," 

I will stop and step back. 

This means I will stop, 

Say "okay," 

And walk away.

I can talk or play with someone else.

Going to Mrs. Zeleji's Class

When I go to Ms. Zeleji's class,

I will be in a different room  with different grown-ups and kids. 

When I go to Ms. Zeleji's class,

I will keep my eyes on the teacher, Mrs. Zeleji, 

So that I know what to do. 

When I need help, I will raise my hand 

And ask a grown-up: 

I will ask Mrs. Zeleji or Mrs. Kroll.

When I have to go to the bathroom, 

I will raise my hand 

And ask a grown-up: 

I will ask Mrs. Zeleji or Mrs. Kroll.

If I am scared, mad, or upset, 

I will take a "Take 5" in Mrs. Bowman's classroom 

Until I feel better. 

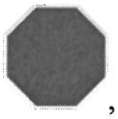

When the teacher says it is okay to talk or play, 

I will not touch or grab another boy or girl. 

I will say, "Hello," or "Do you want to play?" 

And the boy or girl will talk or play with me. 

If another boy or girl says, "Stop," 

I will stop , say "okay" , and walk away. 

I can talk or play with someone else. 

It is fun to be in Mrs. Zeleji's class.
