

## **Breck Board of Trustees Objectives 2017-2018**

- Ensure successful transition of Dr. Hernandez as Breck's new Head of School by building a strong Board / Head of School relationship and facilitating community relationship building (parents, alumni, community, local and national relationships).
- Partner with Head of School and new Advancement Director to cultivate a community and culture of philanthropy for Breck.
- Review and update the Master Site Plan.
- Support the implementation of the Strategic Plan with focus and prioritization against the most impactful short and long term goals.
- Review, revise, and reaffirm the school's mission statement by formal Board approval.
- Review and update the Statement of Investment Objectives & Policies.
- Review and update the financial policies regarding financial aid.
- Cultivate and nominate new potential Trustees to keep pace with current scheduled Trustee rotation.
- Review and approve annual financial audit.
