Dear Parent(s)/Guardian(s):

It is our goal to ensure a safe and supportive environment to all of our students. The Illinois Legislature recently passed Public Act 96-1485, *The Care of Students with Diabetes Act*.

If your daughter has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the school nurse. Please contact your daughter's physician for assistance with developing the diabetes care plan.

Once a diabetes care plan is on file with the school nurse, parents/guardians are responsible for and must:

- a. Inform the school nurse of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
- b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of healthcare providers.
- c. Sign the Diabetes Care Plan.
- d. Grant consent for and authorize the school nurse to communicate directly with the healthcare provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact Mrs. Amanda Gaida, School Nurse, at 773-881-6524.

Sincerely,

A handwritten signature in cursive script that reads "Mrs. Eileen O'Reilly".
