MISSION

The Weber School prepares its students for success in college and in life, inspiring them to be knowledgeable, thinking, responsible Jewish adults, by weaving together the pursuit of academic excellence; a commitment to Jewish values, the Jewish people and Israel; and a responsibility to serve our community and improve our world.

At The Weber School, students receive access to a wide range of College Preparatory, Honors, and Advanced Placement options as well as unique and innovative curricular and co-curricular programs. In every subject, we aim to challenge and encourage students to reach their highest level of potential and have gathered a highly talented and devoted faculty to develop each student's abilities.
