I. TRANSPORTATION TO AND FROM AIRPORTS

STATE SHUTTLE offers 24-hour service between campus and New York-area airports. The school rate (including gratuity) is as follows:

* * NEWARK AIRPORT - $95.00 *per person*
* * LAGUARDIA AIRPORT - $195.00 *per person*
* * JFK AIRPORT - $195.00 *per person*

(These rates are subject to change during the school year.)

Arrangements for State Shuttle pick-up are coordinated by Blair's student life office. Please call (908) 362-6121, ext. 5605. Students must register their travel itineraries with the student life office at least 24 hours in advance of pick-up. No payment is required at the time of the trip; billing will be handled by Blair's business office. **Higher rates and a billing surcharge are likely for those making reservations directly with State Shuttle instead of working through the student life office.**

When returning to School, students arriving at the airports should pick up their baggage, and then call the shuttle dispatcher at **(800) 427-3207** to arrange curb-side pick-up.

At vacation times, the School will charter a bus to the Port Authority Bus Terminal and Newark Airport ($35) if there are sufficient sign-ups. The chartered bus will depart from Blair between noon and 12:30 p.m. Flights departing from Newark after 3:30 p.m. are best to utilize the chartered bus. Students whose travel itineraries don't coincide with the time of the chartered bus will need to travel via State Shuttle.

II. *TRANSPORTATION TO AND FROM NEW YORK CITY*

MARTZ TRAILWAYS buses run between Stroudsburg/Delaware Water Gap (20 minutes from campus) and the Port Authority Bus Terminal several times each day. The School provides van service to and from Stroudsburg/DWG ($18). **Students must sign up in the student life office for transportation to and from Stroudsburg/DWG.**

Students or parents with questions about these arrangements may call the student life office at (908) 362-6121, ext. 5605.
