AGREEMENT

PURPOSE

The purpose of this Agreement is to help us meet the challenges of rapidly changing environment in public education. It is a reality that Oakland Schools must now compete for students in order to survive and prosper. That requires us continually to improve education outcomes for the students, parents and community members who are our partners and our customers. It requires us to foster collegial work relations to support teamwork, innovation and customer service. This Agreement is our attempt to describe plainly the things we must accomplish together and the improved professional work relations we must have in order to accomplish them.

ARTICLE I - RECOGNITION

- 1.1 The Oakland Schools Board of Education hereinafter noted as the "Board" recognizes the Oakland Technical Center Education Association/MEA-NEA (OTCEA), hereinafter noted as "Association," as the exclusive bargaining representative as defined in Section 11 of Act 379, Public Acts of Michigan, 1965, for all employees in the bargaining unit, set forth in 1.2 below, for purposes of collective bargaining in respect to wages, hours and other terms and conditions of employment, as defined in Act 379 of the Public Code of Michigan, 1965.
- 1.2 Bargaining unit members means all full-time and regular part-time teachers (including Counselors and Student Support Specialist), instructional technicians, office assistants and custodial/ maintenance employees employed by Oakland Schools at the four Technical Centers currently located in Clarkston, Pontiac, Royal Oak and Walled Lake, but excluding Deans, Campus Operations Supervisors, administrators and supervisors, as defined by law, and all other employees.
- 1.3 The term "teacher" when used herein shall mean salaried personnel employed by the Board in Section 1.2 of this Article who hold valid Michigan Secondary Certificates or their equivalent (e.g., endorsement, authorization or licensure) in accordance with Michigan Department of Education Regulations, under a contract and compensated under Schedule A.
- 1.4 The term "Board" or "Oakland Schools" when used herein, shall refer to the Board of Oakland Schools, its designees, representatives or agents, including Oakland School administrators and supervisors.
- 1.5 The term "Employee," when used herein, shall mean members of the bargaining unit. All reference to male employees shall include female employees and all masculine pronouns shall include both male and female.
- 1.6 Membership in any professional trade organizations shall not be considered as a condition of employment.

ARTICLE 2 - EMPLOYEE EVALUATIONS

This article is only applicable to employees whose employment is not regulated by the Teacher Tenure Act (MCL 38.71 to 38.191); it does not apply to employees whose employment is regulated by the Teacher Tenure Act.

- 2.1 Employees shall be formally evaluated by their Dean, Associate Dean, or other administrative personnel designated by the Superintendent. Administration will meet with new probationary teachers and non-probationary teachers scheduled for evaluation that school year to explain the evaluation process prior to a formal evaluation.
- 2.2 A conference with the employee being formally evaluated will take place within ten (10) school days following completion of the evaluation. An employee shall have the right to read his/her evaluation and discuss it with his/her evaluator before the evaluation is placed in his/her file. After reading and discussing the evaluation, the employee shall sign the evaluation indicating that it has been read and a copy received. The signature of the employee does not necessarily imply agreement with the evaluation.
- 2.3 Non-teacher seniority employees will be evaluated yearly. It shall be Oakland School's practice to evaluate non-teacher probationary employees prior to the expiration of their probationary period (see Article 16.16).
- 2.4 Although the contents of an evaluation are not subject to the grievance procedure, in the event an employee disagrees with a written evaluation, he/she shall have the option of having his/her own comments attached to the evaluation. Said comments must be submitted to the Personnel Office within thirty (30) days from the time the employee receives the evaluation. The employee may also request a meeting with the Dean/Supervisor and the Director of Career-Focused Education to review the evaluation. The employee shall be entitled to have his/her building representative or the Association President present at such meeting. The Board also agrees that evaluations shall not be used as reprimand or discipline.
- 2.5 The evaluation process and possible changes in the evaluation instrument will be reviewed with the Contract Maintenance Committee.

ARTICLE 3 - PROFESSIONAL NEGOTIATIONS

- 3.1 It is recognized that matters of mutual concern to the parties may arise during the life of this Agreement. The parties may mutually agree to cooperatively consider an attempt to resolve such matters. Any amendment to this Agreement that is agreed upon must be placed in writing and executed by both parties. Any such amendment is subject to ratification by the Board and the Association prior to implementation.
- 3.2 Not later than ninety (90) days prior to the expiration of this Agreement, upon written request, the Board agrees to negotiate with the Association over a successor agreement.

- 3.3 For the duration of this Agreement the Board agrees not to negotiate with any labor organization other than the Association for the employees covered by this Agreement.

ARTICLE 4 - CONTINUITY OF OPERATIONS

- 4.1 Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations.
- 4.2 The Association agrees that during the term of this Agreement it shall not direct, instigate, participate in, encourage, or support any strike against the Board by any employee or group of employees, nor shall any member of the bargaining unit instigate, participate, encourage or support any strike against the Board.
- 4.3 A strike shall be defined to mean the concerted failure to report for duty, the willful absence from one's position, the stoppage of work or the abstinence in whole or in part from the full, faithful and proper performance of the duties of employment.
- 4.4 In the event of any violation of this Article, the Association will post notices immediately at any or all schools affected, advising that such strike is unlawful, in violation of this Agreement and unauthorized by the Association. The Association shall advise employees to return forthwith to their regular duties. The Association shall further take any and all other action, reasonably within its power, to bring the strike to an end. If the Association takes the foregoing steps and has not acted in violation of this Article, it shall not be liable in any way for such strike.
- 4.5 Violation of this Article by any employee or group of employees may also result in the imposition of discipline, up to and including discharge, as determined by the Board.

ARTICLE 5 – ASSIGNMENTS

With the exception of Section 5.5, this article is only applicable to employees whose employment is not regulated by the Teacher Tenure Act (MCL 38.71 to 38.191); it does not apply to employees whose employment is regulated by the Teacher Tenure Act.

- 5.1 The Board shall employ teachers who possess proper state endorsement, authorization, license or other Department of Education approval. Any vocational education teacher who is annually authorized and working toward a teaching degree at a sponsoring institution shall not be replaced by a degreed/authorized teacher unless required by law and/or the Michigan Department of Education.
- 5.2 Oakland Schools shall continue to make reasonable efforts to provide qualified substitutes. Except in extenuating circumstances, an IT will not be required to substitute outside their assigned cluster area more than three (3) times per semester. In the event that an instructional

technician substitutes for an absent teacher, the instructional technician's wages will be adjusted in accordance with Article 28.4.

- 5.3 No teacher shall be required to substitute for another teacher except in an emergency. Failure of a substitute to arrive on schedule, the inability of Oakland Schools to secure a substitute or when an unanticipated absence occurs during the workday, are all examples of an emergency. Teachers will be asked to substitute in an emergency. In the event no one agrees to substitute, teachers will be assigned on an equitable basis.
- 5.4 Extra-pay assignments shall be as set forth in Appendix A.
- 5.5 In the event the District assigns Instructional Technicians to summer school assignments, the following shall apply. Preference for summer school assignments (which are voluntary), shall be given first to the instructional technician who successfully taught the program the previous summer and then to the instructional technician assigned to the class at the campus operating the class. If no such instructional technician takes the position, the assignment will be offered to qualified instructional technicians from other campuses. Under normal circumstances, notice of summer school programs to instructional technicians shall be given by April 1st. Except for this Section 5.5 and rates of pay set forth in Appendix A.A-4, summer school assignments shall not otherwise be covered by this Agreement.

ARTICLE 6 - VACANCIES AND TRANSFERS

This article is only applicable to employees whose employment is not regulated by the Teacher Tenure Act (MCL 38.71 to 38.191); it does not apply to employees whose employment is regulated by the Teacher Tenure Act.

6.1 Definitions.

A "transfer" is a change from one campus to another, within the same cluster in the case of teachers, or from one campus to another within the same classification for all other employees.

A "vacancy" shall be defined as a position within the bargaining unit arising by virtue of a newly-created position, death, retirement or resignation which the Oakland Schools desires to fill either through reassignment (i.e., voluntary or involuntary transfer), application from a current employee, or new hire.

- 6.2 A vacancy shall be publicized by giving written notice to the Association and posting the notice at each campus for a minimum of ten (10) school days, provided teacher vacancies arising after August 1st for the coming school year (except for newly-created programs) may be filled by administration without having to have been posted. The posting will contain the position to be filled, the work location, the length of the work year (i.e., 52 weeks, the school year, etc.) and a summary of the qualifications required. The posting will be limited to two (2) pages in length, will make reference to the fact that the written job description for the

position contains a more complete description of the position, and that the job description is available upon request.

- 6.3 Less than 52-week employees who wish to receive notice of vacancies arising after the end of the school year, but prior to the start of the next school year, shall notify the Human Resource Department in writing by June 1st of each school year.
- 6.4 Employees meeting the qualifications for the position who submit a written application within the time provided shall receive consideration with other applicants and those employees who have voluntary transfer requests on file. Oakland Schools agrees to give due weight to professional background and attainment, competency, qualifications, seniority and other relevant factors. In the event these factors are determined to be equal by Oakland Schools, preference will be given to the most senior employee over a new hire. The decision of the Assistant Superintendent shall be final, however. Each applicant shall be notified of the decision of Oakland Schools within five (5) workdays of the filling of the position.
- 6.5 If an employee desires to move to a position at a different campus within his/her classification, or into a different classification, the employee shall notify the Director of Human Resources in writing, and also follow the Oakland Schools application process for the desired position. The employee shall set forth the reasons for the requested move and his/her qualification as part of the application process. It is agreed that the employee and outside applicants may be interviewed for a position. It is agreed that employee applicants meeting minimum qualifications with a request on file will be offered an interview first before outside applicants are interviewed (with the understanding that the District will have the benefit of information from the interviews with both employee and outside applicants before making a decision on a position vacancy). If an employee who is interviewed is not chosen for a position, upon request the District will give the employee the reason why another applicant was chosen for the position. Such requests shall be renewed once each year to assure active consideration.
- 6.6 In the event an employee is involuntarily transferred from one campus to another, the employee will be notified, with reasons for the transfer, and be given the opportunity to discuss the transfer with his/her Dean or the Dean's designee. Under normal circumstances, an employee being involuntarily transferred on other than a temporary basis will be given at least two (2) weeks advance notice. Employees transferred on a temporary basis will be eligible for mileage reimbursement under applicable Oakland Schools Mileage Policy. Involuntary transfers shall not be made for arbitrary reasons.
- 6.7 An employee involuntarily transferred as a result of a program reduction/closing shall have preference to return to the first vacancy arising in his/her former position within three years from the date of the involuntary transfer.

ARTICLE 7 - PROTECTION OF EMPLOYEES

Sections 7.3, 7.5, 7.6, 7.7, 7.11 and 7.18 shall only be applicable to employees whose employment is not regulated by the Teacher Tenure Act (MCL 38.71 TO 38.191); they shall not apply to employees whose employment is regulated by the Teacher Tenure Act.

- 7.1 Oakland Schools recognizes its responsibility to give reasonable administrative support and assistance to employees with respect to the maintenance of control and discipline at the campuses.
- 7.2 Employees recognize their responsibility to give reasonable support and assistance to administration.
- 7.3 No employee shall be disciplined or discharged without just cause, provided, however, notwithstanding this provision, the discharge of a probationary employee by Oakland Schools shall not be deemed a violation of the collective bargaining agreement nor the basis of a grievance. The Board's decision to discharge a probationary employee shall be fully effective whether or not an interview is requested or takes place.
- 7.4 Upon request, an employee will be entitled to have present a representative of the Association when the employee reasonably believes that a meeting with representatives of Oakland Schools may lead to disciplinary action. When the employee requests Association representation, administration shall delay action until an Association representative is present.
- 7.5 Whenever a supervisor conducts a hearing concerning alleged deficiencies in professional performance, the employee will be entitled to an Association representative. Oakland Schools shall inform the employee of this right. If a written record of the alleged deficiencies is to be made and inserted in the employee's personnel file, a copy of the written record will be sent to the employee at the time it is placed in his/her personnel file.
- 7.6 In the event an employee is suspended or discharged, a copy of the suspension/discharge notice will be sent to the Association President. Any grievance involving an employee suspension or discharge shall be filed at Step Three of the Grievance Procedure within fifteen (15) workdays of the date of the suspension/discharge.
- 7.7 Employees will not be required to transport students.
- 7.8 Any case of an assault upon an employee arising out of and in the cause of his/her employment shall be promptly reported to the Dean or his/her designee who shall in turn report it to the Superintendent or his/her designee. If requested, Oakland Schools shall provide legal counsel to advise the employee of his/her rights and shall render reasonable assistance in connection with the handling of the incident by law enforcement and judicial authorities.

In the event of damage to the employee's personal property as a result of said assault, Oakland Schools will reimburse the employee for such damage not covered by insurance, up to three hundred (\$300) dollars.

If the employee is absent from work as a result of the personal injury caused by an assault arising out of and in the course of his/her employment, the employee will be paid his base salary (less the amount of a workers' compensation or other insurance benefit paid for disability due to said injury) and employee-provided health insurance for the period of such absence not to exceed ten (10) months, and no part of such absence will be charged to the employee's annual or accumulated sick leave. Seniority shall accrue.

- 7.9 Each employee shall have the right, upon written request, to review the contents of his/her personnel file. A representative of the Association may, at the employee's request, accompany the employee in this review. An employee may request a copy of documents in his/her personnel file.
- 7.10 Complaints directed against an employee which, in the Supervisor's judgment, reflect on the competency or conduct of an employee and are determined to be serious or recurring, will be brought to the attention of the employee on a timely basis. The complaint will be discussed with the employee before any disciplinary action is taken.
- 7.11 The Human Resource Department will promptly notify an employee when there is a Freedom of Information Act Request from a third party to obtain copies of material in the employee's personnel file. The identity of the person or organization requesting this information will be shared with the employee. Oakland Schools will provide an opportunity for the employee (and the Association President, if requested by the employee) to review that portion of the FOIA request relative to the employee and the documents in the employee's file that relate to the request.
- 7.12 All employees shall exhibit the highest standards of professionalism and respect to subordinates and peers alike.
- 7.13 All student teachers shall be under the supervision of a tenure teacher. Teachers may voluntarily accept the assignment of a student teacher. If possible, an interview shall occur between the teacher and the student teacher prior to the assignment. Any remuneration received from the sponsoring college or university shall be designated for use of the respective campus cluster program.
- 7.14 The Oakland Schools Code of Student Conduct will be distributed annually to each teacher with a copy on file in the Dean's office. A copy will also be forwarded to the administration of the sending districts.
- 7.15 A teacher may send a pupil from his/her class to the office of an administrator when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the pupil in the classroom intolerable. Such exclusion must be in accordance with applicable law and Board policy. In such case, the teacher will furnish the Dean or his/her designee with a verbal explanation, as promptly as his/her teaching obligations allow, and in any event by the end of the day, will furnish a detailed written report of the incident particulars. The Dean or his/her designee, after reviewing the situation, shall inform the teacher of the action taken

- 7.16 Oakland Schools provides liability insurance in excess of \$1 million dollars for employees acting within the scope of their duties, subject to the terms and conditions set forth in said policy.
- 7.17 Surveillance equipment may be utilized in order to protect the health, welfare and property of the District, its employees, students, visitors and the public. Surveillance equipment will not be used for evaluation purposes. An employee being disciplined as a result of the use of surveillance equipment shall have the right to grieve whether the use of the surveillance equipment was justified under the circumstances. In the event the grievance is upheld, the Employer shall not be entitled to rely upon the evidence obtained from the surveillance.

ARTICLE 8 - YEARLY WORK SCHEDULE

- 8.1 There shall be a common calendar for all of the campuses. Subject to the provisions and applicability of Public Act 101 of 2007, the calendar shall include 183-1/2 student days, and 188 teacher days (192 for new teachers) for each school year.
- 8.2 In the event there is a change in what constitutes or is counted as pupil instruction time, or in the event the pupil instruction time needs to be lengthened or the number of days increased for sending Districts to receive full state aid results in the need to increase the work day/work year, the matter will be referred to the Contract Maintenance Committee. If additional time is necessary, it will be confined to the campus in question.
- 8.3 Teachers shall be required to attend professional development/in-service days scheduled by Oakland Schools as part of their work year as defined in 8.1 above. Oakland Schools will continue to involve employees in the planning and implementation of professional development/in-service.
- 8.4 Professional activities will be required for the two advisories. One advisory shall be planned by Oakland Schools and one planned by the Cluster. Advisory meetings will begin at 4:00 p.m. at Oakland Schools. Instructional Technicians will be paid \$30.00/hr and Teachers \$35.00/hr for attending Advisory meetings. In addition, in order to address the need for curriculum night, open house, parent/teacher conferences, or the like, twelve (12) hours of after-school time shall be arranged by staff and administration to fulfill the needs of their campus and stakeholders, guided by the principle of working toward common school improvement goals with the strategies that meet campus needs. It is understood that up to five nights may be assigned for other activities listed above, provided that a majority of teachers at a particular campus approves of the five nights. If additional professional activities are required outside of the normal workday, they will be voluntary and be compensated for at the hourly rate set forth in Appendix A-5.
- 8.5 In the event a campus is closed for students due to inclement weather or other emergency causes, and if such days must be made up to comply with applicable law or Department of Education regulations, the Board will meet to advise the Association of the necessary number of make-up days which shall be added to the school calendar.

- 8.6 The decision to close a campus shall be made by Oakland Schools.
- 8.7 When a campus is closed due to inclement weather, Instructional Technicians will not suffer any loss of pay in the event the missed day of instruction is not made up. If a campus is closed due to other emergencies, the Instructional Technician may be reassigned to another building, if there is no work available, the Instructional Technician shall not be compensated.
- 8.8 When a campus is closed due to inclement weather or other emergency, Custodians/Maintenance employees are expected to report to work as soon as possible. All Custodians may be required to report on a day shift schedule. Those who do report when school is closed due to inclement weather shall be paid time and one-half for all hours worked on said shift. Custodial/Maintenance employees will receive double time for district designated snow days. In the event the Custodian/Maintenance employees cannot report to work, said employee shall have the option of applying earned vacation or personal time to avoid loss of pay.
- 8.9 When a campus is closed due to inclement weather, office assistants shall not be required to report and shall suffer no loss of pay in accordance with Oakland School's policy. When a campus is closed due to other emergencies, office assistants are expected to report to work. In the event the office assistant cannot, said employee shall have the option of applying earned vacation or personal time to avoid loss of pay. Office assistants will be paid if they are sent home because of a power failure.

For the purposes of applying this provision with respect to inclement weather situations, all staff who are regularly assigned to more than one building (excluding custodians/maintenance) shall notify their supervisors as to what days they shall be working at the campuses, and if the campus to which they were going on a particular day was closed due to inclement weather, then the inclement weather provisions above shall be applicable to that particular staff member on that particular day.

ARTICLE 9 - HOURLY EMPLOYEE HOLIDAYS/VACATIONS

9.1 HOLIDAYS

A 52-week non-teaching employee who has successfully completed the probationary period, after completion of 90 calendar days of employment, will receive base pay for the following holidays:

New Year's Day	Labor Day
Martin Luther King Day	Thanksgiving Day
Memorial Day	Day after Thanksgiving
Good Friday	Christmas Eve
Monday after Easter	Christmas Day
Fourth of July	New Year's Eve

providing, the employee was otherwise scheduled to work on the day the holiday fell and the employee works the last scheduled day prior to such holiday and the next scheduled day after such holiday, unless on an approved vacation leave, jury duty, funeral leave or as set forth in Section 9.3 below.

In addition to the above, Oakland Schools shall designate two to four other days as paid holidays for 52-week Office Assistants each fiscal year.

In the event that any of the holidays listed in this article falls on a scheduled student instruction day, employees shall work that day as a normal workday, and the holiday shall instead be observed on another day adjoining a weekend to be determined by the District after consultation with the Association.

52 week nonteaching staff will receive one floating holiday for the 2017-2018 school year. The floating holiday will be observed on July 3, 2017.

- 9.2 An instructional technician and any other less than 52-week non-teaching employee, after completion of 90 calendar days of employment, will receive base pay for the following designated holidays, provided he/she meets the same eligibility requirements provided in 9.1. The designated holidays are:

Labor Day
Martin Luther King Day
Thanksgiving Day
Christmas Day
New Year's Day
Memorial Day
July 4th

- 9.3 Eligible employees who have gone on approved paid leave under 13.1 or workers' compensation leave within fourteen (14) days immediately preceding the holiday shall receive holiday pay.
- 9.4 If a holiday, listed in 9.1 and 9.2 above, falls on Sunday, the following Monday will be a holiday if school is not in session. If Monday is already a holiday, then Friday immediately prior to the holiday will be a holiday, providing school is not in session. If a holiday falls on Saturday, the Friday immediately prior to the holiday shall be a holiday, providing school is not in session. If Friday is already a holiday, then the following Monday shall be a holiday if school is not in session.
- 9.5 If an hourly employee were to work on a holiday because school is in session, he/she shall be given a day off in lieu of the holiday on a day mutually-agreed upon by the employee and the immediate supervisor.
- 9.6 Base pay shall be defined as the employee's hourly rate times the number of hours the employee is normally scheduled to work on the day in question.

- 9.7 In the event it is necessary to have an employee work on a holiday, the employer shall offer the opportunity to work by classification and campus, in seniority order. Employees who work on a holiday shall be paid double time for all hours worked, in addition to holiday pay, provided, if an afternoon shift starts on a holiday and continues into the holiday, the work on the holiday will continue to be paid as if it is a non-holiday. In the event that no employee volunteers, the least senior employee in the classification and campus who is qualified to do the work may be required to work, provided at least one week's notice is given, except in an emergency where such notice is not possible and provided the employee does not have compelling reasons for being unable to work. Employees who are assigned to work on a holiday and fail to report shall not receive holiday pay.

9.8 VACATIONS

A 52-week full-time, non-teaching employee will earn vacation as follows:

- i. 10 days for the 1st and 2nd year
 - ii. 15 days for the 3rd year

- d. No employee may accumulate more than thirty (30) days of earned vacation. In the event Oakland Schools is required to cancel a scheduled vacation, the thirty (30) day maximum will be waived or the employee will be paid for the vacation days over said maximum. A scheduled vacation will only be cancelled for compelling operational reasons.
- e. Vacation days at each campus shall be scheduled by the employer based on classification and seniority. In order to determine employee preference, employees may turn in a written vacation preference sheet to the Dean or designee for approval. Employees may be restricted from taking vacations when school is in session.
- f. If conflicts in scheduling arise within a classification in a campus, preference will be given to the employee with the most classification seniority in the campus.
- 9.9 Employees who terminate employment voluntarily or involuntarily, including retirement and/or layoff, shall be paid at their base hourly rate for all unused, earned vacation time, provided an employee who terminates without at least two (2) weeks advance written notice shall forfeit all earned, unused vacation. In the case of death of the employee, all earned, unused vacation time will be paid to the employee's estate.

- 9.11 52 week union employees may elect to purchase up to 10 days vacation time in accordance with Administrative Rule 5885.

ARTICLE 10 - TEACHING LOAD

The Board and the Association recognize that one of the factors related to the quality of classroom instruction is the number of pupils in a classroom. The Dean and the members of the cluster shall work cooperatively to resolve issues regarding balancing class loads with consideration given to State guidelines.

ARTICLE 11 - WORKING CONDITIONS

- 11.1 Teachers will have reasonable access to word processing equipment, computers and duplicating equipment for preparation of instructional material.
- 11.2 The Board and Association recognize that money is handled for classes, clubs and other school activities. To assure proper business practices are used, a policy for handling money will be developed by Oakland Schools and reviewed with the Contract Maintenance Committee. No money shall be collected from students without the knowledge and approval of the Campus Dean.
- 11.3 When textbooks have been approved for a course, desk copies and teacher manuals shall be made available for the use of the teacher teaching the course. The Board shall strive to timely provide instructional and reference materials required to meet standards established for each program.
- 11.4 The preparation of written instructional plans demonstrably connected to strategic learning objectives, and designed to inspire achievement of learning benchmarks, is a professional responsibility of individual teachers. Teachers are expected to maintain both long-range (semester or year) and short-range (daily/weekly) plans. Instructional plans are recognized as a valuable tool for professional development, counseling and classroom delivery. The lesson plans should therefore be of sufficient detail and clarity to enable continuity of the learning program if a substitute teacher is required.
- 11.5 Oakland Schools will provide lunchroom and lavatory facilities for use of employees separate from those to be used by students.
- 11.6 Oakland Schools will explore providing a communication system in each building that enables the staff to communicate between the classroom and the school office. Telephones shall be provided in each building for professional use by employees in connection with school business.

- 11.7 Locked storage space will be provided within each classroom or building where personal property may be kept, it being understood that the Board reserves the right to inspect the contents of such locked storage area.
- 11.8 The parties recognize that a clean and safe environment is conducive to the learning process. Employees shall promptly report any unsafe or hazardous conditions to the Dean/immediate supervisor. The staff agree that their presence and visibility during the student day is an essential component of a safe and well-managed environment and agree to be in the halls before, after, and between classes, as directed by the Dean.
- 11.9 The Board shall provide safety equipment and protective clothing it deems necessary to comply with applicable State and Federal regulations. Employees shall be responsible for utilizing such protective clothing and equipment and for the care and maintenance of such equipment and clothing.
- 11.10 The Board and Association recognize that teams of employees working in a supportive, team-oriented environment are desirable. The parties agree to commit to good faith efforts to create such environments, including clusters and functional teams in every building. In June of each year, the District will conduct an electronic survey of its certified staff and instructional technicians in each cluster, seeking input into the content of professional development and cluster meetings for the following school year. At the final cluster meeting in May, the cluster will provide input into the content of the upcoming survey. At the commencement of the following school year, the District will forward the results of this survey to the respective cluster and the Association.

ARTICLE 12 - WORK SCHEDULE

A copy of the diploma or transcript must be submitted to Human Resources. The payment shall be paid in equal installments on a bi-weekly basis starting the beginning of the second pay period following receipt of proof of degree and approved by the Human Resources Director. For example, an employee who submits proof of a bachelor's degree on December 31, 2005, will begin to receive the bi-weekly stipend starting with the second pay period after December 31, 2005, pro-rated for the balance of the 05/06 fiscal year. This provision shall not apply retroactively.
- 28.13 Teachers shall receive a half day (1/2) compensation day on the Wednesday before Thanksgiving by attending district sponsored after school events including: parent/student orientation/curriculum night.

Teachers shall receive a full day compensation day on June 22, 2018, by attending after school events including: parent teacher conferences, open house and signing day. Teachers must attend all 9 hours to be eligible for the June 22, 2018 compensation day.

The 2018-2019 compensation dates shall be mutually agreed upon based on the 2018-2019 OTCEA calendar.

ARTICLE 29 - MENTORS

It shall be a professional responsibility of the staff at each Campus to see that there are enough qualified mentors. Mentors shall receive a stipend of \$400 per year for the first mentee and an additional \$200 for each additional mentee (limited to a total of three mentees). A list of duties is set forth in Appendix E.

ARTICLE 30 - DURATION OF AGREEMENT

This Agreement is effective as of July 1, 2017, and shall expire on June 30, 2019. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date set forth above unless mutually agreed to, in writing, by both parties.

- A.1 Extra-pay assignments in addition to the normal workday shall be made with the consent of the employee and shall be paid as set forth in Appendix A.5, below.
- A.2 Club sponsorships involving state or national organizations with leadership/technical skill training, such as OCCRA, SkillsUSA, HOSA, BPA, FFA, DECA, ProStart (Culinary), American Welding Society (Welding), and FIRST are considered directly related to the teaching assignment. While such assignments shall also be made with the consent of the employee, in the event no qualified employee volunteers, Oakland Schools can assign the least senior qualified teacher from the area/cluster in question from the campus (or campuses in the event the club covers more than one campus) to one such assignment in any year. If the least senior teacher is assigned a club sponsorship, the teacher shall not be required to put in more than 40 hours of time beyond the normal workday or work year, for any one such sponsorship per year, exclusive of State or National competitions. Further, no one teacher will be involuntarily assigned more than two consecutive years. Pay for club sponsorships shall be in accordance with Appendix A-3, below.

Guidelines for club sponsorship shall be developed by the Curriculum Advisory Committee and processed through the ISO development procedure. The guidelines will include the criteria, the appropriate application form and a summary report form. The final report will be reviewed and discussed with the Contract Maintenance Committee before it is implemented.

- A.3 For the 2014-15 year only, stipends for an instructional staff's participation in a club shall be paid as follows. The total amount of payments for a Teacher/Instructional Technician Sponsor's participation in all clubs shall be \$40,000 (forty thousand dollars). Teacher/Instructional Technician Sponsors who participate in a club will receive a stipend that will be shared equally amongst participating members based upon the following formula: 1 unit- 1 club; 1.5 units – 2 clubs; 2 units-3 clubs or more. Teacher/Instructional Technician Sponsors attending State and National competitions conducted on non-scheduled working days will be paid \$75 per day, which funds will be taken from the \$40,000 amount above. Stipends will be paid at the end of June. In addition, in recognition of the contributions of instructional staff to the success of our students as well as Section 1250 of the Revised School Code, the District shall provide Teacher Sponsors who accompany students to national competitions on non-scheduled working days an additional stipend of \$500 (five hundred dollars), and a comparable amount to Instructional Technician Sponsors who similarly accompany students to national competitions on non-scheduled working days (which comparable amount would take into account the fact that potential overtime payments may be required on such payment to Instructional Technician Sponsors; payment of this additional stipend to all Sponsors to be made after the event). No other competition will be paid to Teacher/Instructional Technician Sponsors for club participation, other than reimbursement for all approved expenses, including meals, lodging and travel in accordance with Board Policy. Sponsorship of clubs must be approved in writing by the Dean in advance of the activity.
- A.4 Summer school teachers will be compensated at the rate of \$27 per class hour.
- A.5 Teachers performing other extra pay assignments outside of the normal workday will receive \$30 per hour.
- A.6 All extra pay duty understandings, including those in A-1, A-2 and A-3 covering services to be performed for more than a two-week period must be in writing and must be signed by the employee and the Director of Career-Focused Education, on an appropriate form. This must be done prior to commencement of the extra-pay duty.
- A.7 Employees voluntary participation in enrichment activities which promote learning in the classroom with student participation may apply for a \$125 stipend. Such application shall include an outline of the activities and estimated expenses, together with an estimate of the time involved beyond the normal workday/year. APPENDIX F

LETTER OF UNDERSTANDING – 15th STEP

The purpose of this Letter of Understanding is to clarify for the life of the agreement the intent of Article 28 – Compensation, specifically article 28.1 and the implementation of the 15-year payment.

1. For purposes of qualifying for the payment of the 15-year step, it is understood that those individuals who had completed 15 years of continuous teaching service to the Oakland Technical Centers (OTC) prior to July 1, 2000 are not required to complete the individual professional development plan. Such individuals shall receive the amount set forth in the agreement as part of their regular compensation.
2. Those individuals who complete 15 years of continuous service after July 1, 2000 shall prepare an individual professional development plan in conjunction with their supervisor and shall submit the plan not later than September 30th of each successive year. The plan shall be completed not later than April 30th each year in order to qualify for the 15-year payment.
3. For purposes of identifying "15 years of teaching service with Oakland Schools", the step at which an individual is placed at the time of hire as well as any continuous years of teaching service in the OTC with one of the four original operating districts, shall be counted toward the 15 year threshold and constitute years of service.
4. Placement on the step schedule at the time of hire shall not affect the individual's seniority with Oakland Schools and the individual's seniority and longevity shall be determined by the actual date of hire.
5. This interpretation of article 28.1 shall be applied to any individuals identified after the date this letter is executed as having 15 years of service by July 1, 2000

Dated this 21st day of February, 2002

LETTER “A”

LETTER OF UNDERSTANDING

The following shall serve to confirm our understanding relative to the titles to be used by Oakland Schools. The titles of “Instructional Technician” includes the positions formerly classified as Paraprofessionals at Royal Oak, including the Interpreter, the Paraprofessionals at Walled Lake, the instructional technicians at Clarkston and the teacher assistants in Pontiac, including teacher intern.

The title “Teacher” includes Counselors, it being understood that the “Placement Specialist” at Walled Lake is a Counselor as are the Student Services Teachers at Clarkston.

LETTER “B”

LETTER OF UNDERSTANDING

There shall be one classification of office assistants at the Oakland Technical Centers. Office assistants will be cross-trained to perform core office functions and work as a team. At least one position at each campus will be a 52-week position, provided, however, that Oakland agrees to grandfather a current office assistant who is working 52 weeks at her current campus, while she remains in her current position and desires to be on a 52-week schedule. Under normal circumstances, a less than 52-week office assistant will work one week before the start of the work year for returning teachers and one week after the end of the teacher work year, unless a longer work year is approved, in writing, by the Director of Career-Focused Education, provided, however, Oakland agrees to grandfather any current less than 52-week office assistant who is working a longer period at her current campus while the office assistant remains in her current position and desires to work the longer schedule.

LETTER "C"

CONTRACT IMPLEMENTATION

1. Subject to the terms and conditions set forth in the applicable labor agreements with their current District, employees who resign their employment with their current District and become Oakland Schools employees shall be allowed to transfer their individual, earned unused sick leave as of June 30, 2000, from their current District to Oakland Schools.

Upon death, retirement or resignation from Oakland Schools, said employees will be paid for the earned, unused sick leave brought over to Oakland Schools up to the total number of days transferred to Oakland Schools, at the rates specified and under the terms and conditions outlined in the applicable collective bargaining agreements in effect as of February 1, 2000, in their current District.

2. For the life of this Agreement, a teacher whose salary was grandfathered in 2000/01 will receive the negotiated general increases for 2005/06 and 2006/07.

4. Effective the pay period following ratification of this 2005/06 Agreement, office assistants will be placed on the new Appendix B-2 Salary Schedule in accordance with the Letter of Understanding dated August 11, 2005 between the District and the OTCEA.
5. In the event the universal time at Royal Oak is scheduled other than at the end of the workday, the equivalent amount of time shall be optional at the end of the day on Friday and Thursday, if necessary.

LETTER "D"

LETTER OF AGREEMENT

LETTER OF AGREEMENT BETWEEN THE OAKLAND SCHOOLS AND THE OAKLAND SCHOOLS TECHNICAL CAMPUS EDUCATION ASSOCIATION

The situation leading to this agreement is as follows. At the request of area superintendents to address a need in the County, the District has agreed to establish on an experimental, pilot basis, an alternative education program (hereafter "Program", also referred to as the Oakland Opportunity Academy, or "OOA") to be housed at the Southwest Campus. While this Program is in the process of being developed, the parties have agreed to the following terms and conditions of employment with respect to the teachers and instructional technicians who will be a part of the Program. It is not anticipated that other bargaining unit personnel will be part of the Program, but it is understood that if a current bargaining unit member does provide services to the Program, the member will be compensated in accordance with the parties' current collective bargaining agreement.

Accordingly, the parties agree as follows:

1. Hours

It is anticipated that students will attend two sessions of classes each school day, which will normally be Monday through Thursday. The first session will run from 2:30 to 5 p.m., and the second session from 5:30 to 8 p.m. Students will have a half-hour break between the two sessions.

Teachers will work the hours of a session, plus an additional half-hour either immediately before or immediately after a session.

Instructional technicians will work the hours of a session, plus up to an additional hour immediately before and/or immediately after a session as the District may determine.

Teachers and instructional technicians will also attend one or two Friday sessions a month without students for purposes of staffing meetings, professional development, and other needs as determined by the District.

An initial calendar is attached setting forth the anticipated days of school and Friday staff sessions. It is understood that changes in the calendar and scheduled hours for students and staff is subject to change.

2. Compensation

Teachers shall be paid \$130 for each session, which aligns with Step 9 of the BA schedule (152 teaching sessions + 17 staff sessions + 6 PD sessions = 175; 175 x 3 hours per session = 525 hours; full time is 188 days x 7.17 hours per day = 1,348 hours; 525 hours divided by 1,348 hours is 39%; \$61,439 divided by 188 = \$327; \$327 x 39% = \$128, rounded up to

\$130; this is the daily session amount referenced in Article 12.11.5, and it is understood that this flat rate is not related to a teacher's placement on the salary schedule in the regular CFE program).

Instructional technicians shall be paid the applicable regular hourly rate set forth in Appendix B of the Master Agreement.

3. Benefits

Insurance benefits will be provided to employees on a pro-rata basis as provided in Article 24.5.5 of the Master Agreement, with the understanding that an employee working less than half-time shall not be entitled to any insurance benefits. For example, an instructional technician working 6 hours a day shall be entitled to the District contributing 74% of the cost of insurance benefits, with the instructional technician contributing 26% of the cost of insurance benefits (152 teaching sessions x 6 hours = 912 hours; 17 staff sessions + 3 PD sessions x 3 hours = 60 hours; 912 hours + 60 hours = 972 hours; full time is 188 days x 7 hours = 1,316 hours; 972 divided by 1,316 = 74%). A full-time employee in the District's regular educational program who is receiving District insurance benefits and who is also working in the Program shall not be entitled to any additional insurance benefits.

Sick leave will be provided on a pro rata basis as provided in Article 24.5.5 of the Master Agreement. For example, a teacher working one session a day would receive 40% of the 11 sick days provided to a full-time teacher, rounded to 4 days per year. Similarly, an instructional technician working 6 hours a day would receive 74% of the 11 sick days provided, rounded to 8 days per year.

Holidays will be provided to instructional technicians as provided in Article 9.2 of the Master Agreement at their regular rate (for example, an Instructional technician working 3 hours a day in the Program will receive three hours pay), with the understanding that the July 4th holiday is not applicable, as school is not in session then.

4. Seniority

"OOA Seniority" shall be defined to mean the length of continuous service working in the Program. OOA Seniority will be accrued as a percentage of a full-time employee. For example, a teacher teaching one teaching session per day for a year would accrue .4 of a year of OOA Seniority (40% of a full-time position), and an instructional technician working 6 hours a day for a year would accrue .7 of a year of OOA Seniority (74% of a full-time position). It is understood and agreed that any OOA Seniority that employees accrue under the Program shall be strictly limited to the Program itself, and it shall have no application whatsoever to the District's other educational programs, as employees working in the Program shall not accrue any seniority under the parties' Master Agreement.

No bargaining unit employee in a position other than as a teacher shall be granted continuing tenure in such position by virtue of this Agreement or any individual contract of

employment, but shall only be able to gain tenure as a classroom teacher in the Program, unless otherwise provided by law.

Professional staff shall be subject to a probationary period of four (4) years of service with Oakland Schools during which time they shall be considered probationary or non-tenure teachers under the terms of this Agreement, unless they achieve tenure under the law earlier than this period. The District agrees that it shall not grant tenure to any teacher before such time that the teacher achieves tenure in accordance with applicable law.

Non-teaching staff shall be subject to a probationary period of ninety (90) days of work in the Program.

5. Other Provisions

The following articles contained in the Master Agreement shall apply to the teachers and instructional technicians in the Program, with the understanding that such provisions shall be interpreted in the context of the Program, so that references to a Campus Dean shall be interpreted to apply to the Director of the Program.

Article 1, with 1.1 and 1.2 limited to teachers and instructional technicians in the Program.

Article 2, with the understanding that the parties will establish a committee to work on bringing this article into compliance with the Race-to-the-Top and other reform legislation recently enacted.

Article 3, excluding 3.2

Articles 4

Article 7, with the understanding that insurance may be applicable in 7.9, and excluding 7.14 and 16

Article 9.2 through 9.7

Article 10

Article 11, excluding 11.10

Article 13

Article 14, excluding 14.2, 4, 6 and 11

Article 16

Article 17, excluding 17.8 and 9

Article 19

Article 20

Article 22, with the understanding that under 22.1, employees calling in absent on a school day must do so by 11 a.m. to the Program (which may be a separate call-in procedure from the District's regular school program), and excluding 22.8 and 10

Article 24, excluding 24.7

Article 25

Article 26, excluding 26.1.f

As the District continues to develop the Program, it is also understood and agreed that the District shall develop plans and procedures for addressing student discipline matters that require that a student be removed from a classroom, as well as situations where a teacher will be absent from the Program for one or more days and substitute coverage obtained as may be required.

This Letter of Agreement shall be effective from the date of execution through June 30, 2011.

Oakland Schools and OTCEA Negotiations Tentative Agreement Regarding Oakland Opportunity Academy (OOA) Issues 6-5-14

1. **Teacher Salary Step:** In addition to increasing the 2014-15 OOA teacher salary by 1% (One Percent), the District agrees to pay an additional amount of \$1,500 (One Thousand Five Hundred Dollars) to OOA teachers who possess a Master’s Degree as of the beginning of the school year, such amount to be included in the teacher’s base salary.
2. **Teacher Tenure:** Parties agree that tenure is conferred by operation of law and not by Board action; nonetheless, the District agrees to notify those teachers whom it believes have recently acquired tenure.
3. **IT/Tutor:** Parties agree that tutors are valuable and must be maintained. The District agrees that it would be desirable to employ another IT provided the budget permits it next year. An additional teacher will be hired if there are more than three tutors assigned to a class for a semester, unless the Union and District agree to shift tutors due to class size considerations. It is agreed that if a tutor works more than 20 hours a week, the tutor will become a member of the bargaining unit (the parties will negotiate the terms and conditions of a tutor’s employment at such time).
4. **IT:** Both parties agree that it is desirable to maintain the current staffing level of ITs. The District will discuss the issue of appropriate IT staffing for any new CFE program that becomes part of OOA programming.
5. **Office Staff:** Agreement to place OOA Office Assistant into Union in Office Assistant classification; transition to occur effective July 1, 2014, maintaining same work schedule, but transitioning to fringe benefits paid to Office Assistants, and “red circling” and maintaining current hourly rate until Office Assistant rate pays more money; Seniority for classification will begin effective July 1, 2014.

Agree to place receptionist into Union in new classification called OOA Receptionist as of first day of actual work for the 2014-15 school year; pay to be equal to what current staff member is being paid (\$15.44 per hour); agreed that this position would not be entitled to any fringe benefits so long as the regularly scheduled hours do not exceed 20 hours per week given that the position works on a reduced calendar; if the regularly scheduled hours exceed 20 hours per week, then fringe benefits would be provided on a pro-rata basis (based upon a 40-hour work week).
6. **Counselor and Social Worker:** Parties will continue to monitor.
7. **Class Size:** Agree to hire part-time instructor into full-time position in 2014-15.
8. **Seniority:** Agree to clarify the definition of OOA seniority in the first paragraph of Section 4 of the Letter of Agreement (Letter E on page 54 of the current contract) as follows:
 4. **Seniority**
“OOA Seniority” shall be defined to mean the length of continuous service working in the Program. OOA Seniority will be accrued as a percentage of a full-time

employee. Seniority will be calculated, by percent, based upon the total hours worked (as reported to the State of Michigan) with a full-time employee being 1020 hours/school year. For example, a teacher teaching one teaching session per day for a year would accrue .4 of a year of OOA Seniority (40% of a full-time position), and an instructional technician working 6 hours a day for a year would accrue .7 of a year of OOA Seniority (74% of a full-time position). It is understood and agreed that any OOA Seniority that employees accrue under the Program shall be strictly limited to the Program itself, and it shall have no application whatsoever to the District's other educational programs, as employees working in the Program shall not accrue any seniority under the parties' Master Agreement.

An OOA employee wishing to move to a CFE position will follow the procedure below. An OOA employee's seniority will be frozen if he/she moves into a CFE position.

"If an OOA employee desires to move into a different classification, the employee shall notify the Director of Human Resources in writing, and also follow the Oakland Schools application process for the desired position. The employee shall set forth the reasons for the requested move and his/her qualifications as part of the application process. Both employee and outside applicants may be interviewed for a position. It is agreed that employee applicants meeting minimum qualifications with a request on file will be offered an interview first before outside applicants are interviewed (with the understanding that the District will have the benefit of information from the interviews with both employee and outside applicants before making a decision on a position vacancy). If an employee who is interviewed is not chosen for a position, upon request the District will give the employee the reason why another applicant was chosen for the position. Such requests shall be renewed once each year to assure active consideration."

9. Summer Work: There appear to be no issues in this area, other than possibly relating to hours of office staff.

10. Agree to hire part-time instructor into full-time position in 2014-15

11. Certification Changes: Based upon the past discussion and the fact that these issues are governed by law, there appears to be no issues in this area, other than the need for good communication between the parties as to changes in the certification law that may occur.

12. Other (Days/Calendar): Agree that Progress Fridays will be part of calendar and that teachers working on those days will be paid per diem. Continue discussion regarding specific dates.

13. Other (Continuous work period): The work period for an OOA employee shall be a continuous period of time unless a split shift is agreed-upon between Oakland Schools and an employee (Article 12.10).

The OOA program is a specialized program that is significantly different than the CFE program, and for this reason many of the terms and conditions of employment are different for personnel working in OOA program than for those working in the CFE program. These differences were

set forth in the Letter of Agreement (Letter E in the current contract) when the OOA was established as a pilot program. The parties agree that the OOA is no longer a pilot program, and that the provisions now contained in the Letter of Agreement regarding the OOA (Letter E in the current contract) shall be incorporated into a new, separate article in the parties' agreement (Article 30, with the current Article 30 on Duration of Agreement becoming Article 31).

MEMORANDUM OF UNDERSTANDING REGARDING SENIORITY

MEMORANDUM OF UNDERSTANDING BETWEEN THE OAKLAND SCHOOLS AND THE OAKLAND SCHOOLS TECHNICAL CAMPUS EDUCATION ASSOCIATION

The situation leading to this agreement is as follows. Reflecting the state of Michigan's rapidly deteriorating economy, property tax values have significantly declined and the Legislature has reduced funds provided to the District, resulting in a serious revenue shortfall for the District. Accordingly, the District is necessarily making budget cuts, including planned reductions of staff both within and outside the Association's bargaining unit. The District and Association both recognize that the parties' collective bargaining agreement is not as clear as it could be with respect to the layoff procedures and criteria therein. Therefore, to assist in ensuring that the anticipated layoffs are appropriate and consistent with the parties' agreement, the parties have agreed to enter into this memorandum of understanding to clarify the layoff procedures and criteria in their current agreement. In addition, this memorandum also addresses mutual concerns regarding the layoff procedures and criteria, and provides solutions to these concerns which are to be implemented after expiration of the current agreement on June 30, 2010.

Accordingly, the parties agree as follows:

1. Seniority Tie-Breaker:

In the event two or more employees in the same classification have the same seniority date, then the rank seniority order of the employees and which employee(s) shall be considered to have greater seniority under the parties' agreement shall be resolved as follows: first, by the length of time the employees have been in the bargaining unit (i.e., the employee who has been in the bargaining unit the longest will be considered to have greater seniority). If this does not resolve the matter, then the original posting date for the first position within the classification held by the employee shall establish seniority rank (i.e., the earliest posting date shall have higher rank), and if this does not resolve the matter, then third, by the Association conducting a blind/random drawing to determine the rank seniority order of the employees.

2. Seniority Frozen upon Leaving a Classification:

It is understood and agreed that when an employee leaves one classification to work in another classification, the employee's seniority is frozen in the old classification and does not continue to accrue.

3. Custodians/Maintenance:

With respect to Custodians, Lead Custodians, and Maintenance Employees, the practice has been to maintain separate seniority lists as follows: Custodians and Lead Custodians have been on one list, and Maintenance Employees on another. It is understood and agreed that

for purposes of layoff, Custodians and Lead Custodians shall be considered one classification, and Maintenance Employees shall be considered a separate classification.

4. Instructional Technicians:

With respect to Instructional Technicians, the practice has been to maintain one seniority list. It is understood and agreed that layoffs of Instructional Technicians shall be based upon both seniority and "prior satisfactory work experience in the subject area/cluster". "Prior satisfactory work experience in the subject area/cluster" means that the employee has actually worked continuously in a particular subject area/cluster on a full-time basis for a minimum of ninety (90) work days, and that the employee's work during such time was "satisfactory"; whether a particular employee's work was "satisfactory" is left for future discussion by the parties in the event such an issue arises.

5. Teachers and Counselors:

With respect to Teachers and Counselors, the practice has been to maintain separate seniority lists, one for Teachers and one for Counselors. It is agreed that whether teachers and counselors are considered the same classification for purposes of layoff shall be submitted to binding arbitration as soon as practicable.

6. Office Assistants:

With respect to Office Assistants, the practice has been to maintain one seniority list. It is understood and agreed that for purposes of layoff, all Office Assistants are considered to be in the same classification.

The Oakland Schools and Oakland Technical Center Education Association agree to this letter of understanding for the purposes of scheduling vacations for the 2011-12 school year. The parties will revisit the issue near the end of the 2011-12 school year to decide whether the procedure needs to be changed, continued, or is not necessary.

The parties agree to the following procedure for scheduling vacations:

1. Employees may request vacation dates up to one year in advance from the end of an open window period by submitting a vacation preference sheet to a Dean or immediate supervisor during an open window period. There will be two open window periods per year. The open window periods are September 1 - 10 and March 1 - 10.
2. When employees submit their requests during the open window periods, the employer shall award vacation dates once the open window period has closed based on classification and seniority. Employees may be restricted from taking vacations when school is in session.

Requests for vacation days submitted outside of the open window periods will only be considered for dates up to the end date of the next open window period. If the requested dates have been previously awarded by the open window process, the requested dates may be denied.

3. If the requested dates have not been awarded, they will be awarded first on the basis of the date of submission of the request and then on a classification and seniority basis.
4. Once awarded, vacation dates are locked in until used or cancelled by the employee who was awarded said dates.
