Introduction to the Madison Public Schools Code of Conduct

Madison Public Schools provides a supportive academic environment where students are encouraged to become independent and responsible. Mutual trust and respect among all members of the school community is paramount to a positive and healthy school climate. Each individual in the school community is expected to maintain a proper decorum, while allowing for and tolerating individual differences. To that end, general responsibilities for school personnel and expectations for student behavior are provided below:

SCHOOL PERSONNEL RESPONSIBILITIES

In order to serve the student body well, the school staff has the responsibility to . . .

- provide a safe and productive learning environment;
- be informed about and knowledgeable of school rules and policies, consistent with legal requirements and Board of Education policies;
- maintain discipline in a fair, consistent and equitable manner;
- conduct disciplinary hearings and conferences in an impartial and objective manner; and
- resolve disciplinary problems in a fair, consistent and equitable manner.

Additionally, the Board of Education authorizes its administrative staff to discipline students for conduct defined in this document as infractions of the Code of Conduct.

EXPECTATIONS FOR STUDENT BEHAVIOR

In order to assist the school administration and staff in their efforts to provide a positive, productive school environment conducive to learning, the student body is expected to . . .

- understand that they are responsible for their actions and that inappropriate behavior will not be tolerated;
- be informed about and abide by school and Board of Education rules and policies;
- behave in a responsible and appropriate manner during all school functions held on or off school grounds;
- attend school regularly and be prepared for class by completing daily assignments and make-up work;
- continue to develop a moral and ethical sensibility as well as practice moral and ethical behavior;
- learn about, understand, and respect diversity and differences among all groups; and
- understand, as well as apply, the basic principles of healthful daily living.

Thus, the Madison Public Schools Board of Education expects the highest standards of conduct from all students at all times, whether in school, out of school, or at a school-sponsored activity. Proper student behavior is obligatory and conduct incompatible with or disruptive to the educational process is unacceptable and will be addressed by the school administration and staff accordingly.

GENERAL GUIDELINES FOR STUDENT DISCIPLINE

Student discipline is viewed as a responsibility shared among the students, the school, and the parents/guardians. Parents/guardians are encouraged to play an active role in the education of their children and may be called upon by the school to attend meetings regarding disciplinary infractions. Students who infringe on the rights of others to pursue an education or who violate school policies and regulations will be subject to corrective disciplinary action including, removal from class, in-school or out-of-school suspension, suspension from transportation privileges, detention, and/or expulsion from school.

For purposes of organizing the consequences for student behavior that is unacceptable, potential infractions have been classified into four broad categories. These four categories are as follows:

- Section I:** Infractions or behaviors that jeopardize the health, safety, and welfare of individuals in the school community
- Section II:** Infractions that demonstrate a lack of honesty, respect, and courtesy toward individuals in the school community
- Section III:** Infractions that demonstrate a lack of respect for personal and public property and possessions
- Section IV:** Infractions that demonstrate a lack of respect for maintaining an orderly teaching and learning environment

These categories are not mutually exclusive because the same infraction or behavior can conceivably fall into more than one category. Infractions within each category range from very minor to very serious or major infractions. The behavior/infraction charts list disciplinary consequences and reference relevant Board of Education policies

Whenever a disciplinary measure is employed, it shall be fair, reasonable, and consistent. No student shall be disciplined on the basis of race, age, gender, religion, sexual orientation, national origin, ancestry, or disability. The cooperation of every facet of the school community, including staff, students, and parents/guardians, is essential to the maintenance of a positive learning environment in the Madison Public Schools.

Students who are accused of committing an infraction have the right to an informal hearing which is a meeting between a student and the principal or designee at which the student is informed of the reasons for discipline and given an opportunity to respond and explain the situation. School administrators may conduct the informal hearing with students without their parents/guardians being present. In the event of an emergency, which does not allow for an immediate informal hearing, the informal hearing shall be held as soon after the suspension as possible. Parents will be notified of the infraction and resulting disciplinary consequence as soon as feasible.

Disciplinary procedures used in the Madison Public Schools range from informal hearings to expulsion from school. The procedure to be used depends upon the seriousness of the violation, the specific circumstances of the situation and the individual's overall pattern of behavior. A series of minor infractions committed by the same student can be considered a major infraction, as determined by the school administration, as repeated behaviors can have a demoralizing effect on the general student body and staff and be disruptive to the learning environment. In cases where multiple infractions have been committed by a student, the school administration will investigate each infraction and determine the cause for a specific consequence(s). In addition to the usual school procedures, criminal infractions must also be reported by the school administration to the police.
