April 23, 2015

In attendance: Brandy Drani, Laura Huff, Angie Barnes, Tanya Hipwell, Heather Lee, Devin Prouty, Laura Prouty, Holly Dejarnett, Jennifer Jensen, Hilaree Stephens, Kristi Nelson, Dennis Ray, Becky McClure

Celebrations:

- Hilaree Stephens and Dennis Ray will be sharing the vice principal intern position next year.
- 6th Grade next year will participate in Star Base at Hill Air Force Base
- Summer school, extended day kindergarten, and ready Freddie are just a few of the programs to help our students.
- Principal Nelson is fantastic!

School Improvement Plan:

- Final copy will be sent to all community council leaders next week. There will also be an electronic signature page sent.
- Strengthening classroom management, at all levels, will be an important part of the plan.
- There are a few little things, like the Davis Community Learning Center, need to be added.
- Ideas were presented to encourage more parents to come to Back to School Night such as having a Back to School Morning on the 1st day.
- Core phonics, surveys, and other assessments will be used throughout the year to evaluate how we are doing with our goals.

- About \$20,000 will be used from Trust Lands to support our 1st school improvement goal. This money will be used to pay for paraprofessionals.
- About \$500 Trust Land dollars will be used for to support goal #2.
- About \$2,000 from Trust Lands will be used to support goal #3. This goal focuses on classroom management plans. The money will be used to buy incentives and other general supplies. Teacher observations, with the emphasis on discussions, are a vital piece of this goal.
- Goal #4 is to have a 10 percent proficiency gain at every grade level. About \$5,000 Trust Land dollars will be used for field trips and another \$3,000 will be used for general supplies.
- Proofread final copies of the School Improvement Plan when they are sent out.
