

Community Council Agenda Monday, January 11th @ 5:15pm

Welcome/Celebrations

Star Base is now over and was great for students. 5 full days at Hill AFB, 4-5 instructors - were able to see inside the hangar. There is a graduation ceremony. MESA (40 students) statewide activity March 5, 2016, also organizing a parent night. Most Title I schools who apply, are approved for MESA. Liesel Connor and Hilaree Stephens are the advisors. Attendance has declined slightly lately. (Nov./Dec.). 120 kids are in drama.

Review last meeting's minutes/approve

Approved

DIBELS & UURC

We will be doing MOY DIBELS testing for the next two weeks.

UURC tracks data daily per lesson. Next meeting we will look at comparative data. 137 students/27% of students

Decathlon Club/Presidential Fitness

Meagan Gann has had to leave, and new very highly qualified PE teacher has been hired, start date shortly. Will create a plan by beginning of February (Conference week) To run Feb. - May. Promote through teachers, PE, recess monitors. Possible parent night with the stations doing all of the different events. We have funds available to pay for preparation for the event.

Ordering PE equipment

Crystal Stoker is the new PE coach.

Is **Presidential Fitness** coming back? Requires parent volunteers to come and help with measurements, timing, etc in order to give the certificates. Will be discussed with the new PE coach and Admin team. We have Title I funds for a structured recess person/employee

Science/Math Olympiad

Ms. DeRida will disseminate information on the program and presenting in the next faculty meeting. 4-6th grade. Events have changed and we will determine what needs to be purchased so that every grade level has a set of materials to embed practice during school day. Will be open to ALL students not just SEM. Run-off instructions to practice at recess.

Festival of Books

All books went home with kids.

Upcoming SEP Discussion
