# Early Learning

## BIRTH TO 5

### ECFE

Early Childhood Family Education (ECFE) is a Mankato Area Public Schools' program that provides parenting information and support to families prenatal and children ages birth to five years. A variety of classes, preschool options and outreach activities are offered for all age groups.

Most ECFE classes follow a similar format. A half hour of parent/child activities is followed by an hour for parents to meet in a separate area to discuss common concerns and experiences while their children participate in an early childhood classroom. School readiness skills and activities are an important part of all programming. For detailed class descriptions, please visit us at [www.mankatoecfe.org](http://www.mankatoecfe.org) or contact us at (507) 625-4620.

**Online & walk-in registration begins Monday, August 13. For more information and detailed class descriptions, visit us online at [www.mankatoecfe.org](http://www.mankatoecfe.org) or call our office at (507) 625-4620.**

Parents will gain an understanding of child development and age-appropriate behaviors, and receive support with other parenting joys and challenges. For questions and to schedule an appointment with a home visitor, call the Early Learning Department at (507) 625-4620.

### READY! FOR KINDERGARTEN

**Ready! For Kindergarten** is a parent education program whose goal is to honor the parent as the child's first and most influential teacher. Classes are held three times each year (Fall, Winter and Spring) for parents of children ages birth to school entrance. Parents/caregivers/grandparents register for classes based on the year the child will enter Kindergarten. Participants receive current brain research, child development information and a set of learning tools for fun and learning at home. **For registration information and class schedule, please see the early education brochure mailed to area families in August, or register by calling (507) 625-4620, or online at [mankatoecfe.org](http://mankatoecfe.org).**

### Early Childhood Screening

**Best done at age 3**

Required in Minnesota before entrance to public school Kindergarten.

**Screening is FREE** The early childhood years are an important time of rapid learning and growth.

Early Childhood Screening is a check of how your child is growing and developing. Between the ages of 3 and 4, screening can detect possible health or learning concerns, so that children can get help before they start school.

Alex Oldenburg

**1 Session – Grades 2 & up**

Over half of all youth age 12 and under are estimated to have been bitten by a dog. The majority of these bites come from dogs the child knows – family, friend, or neighbor dogs. This session will provide youth with proper and safe ways to interact with dogs, as well as an understanding of dog body language to know when to leave a dog alone. Caregivers are encouraged to attend with their youth so safe dog and kid interactions can be practiced and encouraged beyond the session. **Class is held at MESSY Dog Training, 127 E Washington St, Mankato. Please leave your dogs at home. The instructor will have kid-safe dogs at the class, and demonstrations and activities to work on dog safety for the kids.**

#### 1 Session

Set in the 1920s when radio ruled the airwaves and small stations thrived, *Radio Gals* is a charming musical about Hazel Hunt from Cedar Ridge, Arkansas, who broadcasts from her front parlor with her "all-girl" orchestra, "The Hazelnuts", as radio WGAL. What comes over the local airwaves is an array of hilarious toe-tapping songs. However, Hazel's broadcasts are not always so local due to her habit of impinging on other frequencies, such as NBC, attracting the attention of a federal radio inspector who's intent on shutting down WGAL. It turns out though, he has a fine tenor voice, plays a mean accordion, and quickly becomes enchanted by the "Hazelnuts". Lunch is served at 11:30 a.m. (Menu: pork chops & stuffing in a mushroom cream sauce, scalloped potatoes, vegetable du jour, cold salad, dinner rolls, assorted desserts, coffee and hot tea).

A composite of nine separate grottos, each portrays a scene in the life of Christ.
