

Keyboard Chatter Homework - Lesson #20

Skill Strengthening Activities

She rides her bike there. Ride to school every day. Wear the warm coat today. He ran to the first line. It is time to type faster and faster. I can do it. My hands are ready to go. My keys will do just what I tell them. I can key so fast. Just take it easy; do not try too hard. You will not build high speed if you are lazy, but you can try too hard. To excel, keep your hands quiet; move just the fingers.

Begin typing below. Practice typing for 10 minutes.
