

Room Parents

The PTA is looking for room parent volunteers within each classroom. Responsibilities include:

1. Assisting with three classroom parties held throughout the school year. You will work with the teachers to coordinate games, activities and crafts. Room parents need to be available to facilitate all three classroom parties. The party dates are October 31 for Halloween, December 21 for Winter Holiday and February 14 for Valentine's Day. Parties start at 2:30 PM. Younger siblings are not able to attend these events.
2. Being present in your child's classroom to greet other class parents on Curriculum night, August 29th. Please let the parents know about the class party \$5 collection.
3. Helping communicate PTA information to parents when volunteers are needed, as in the 5K course volunteers, door monitors, etc.
