Your call and email will remain confidential.

When calling, it will help us serve you better if you have as much of the following information as possible.

- Name of your onsite clinic
- Your first name, last name and date of birth
- Details about the question, comment, compliment or concern
- Any specific dates, if applicable
- A contact phone number and/or email

Anonymous feedback is accepted. However, Healthstat may be unable to investigate and follow up if all requested information is not provided.
