Board Policy

BP 5145.3 Students

Nondiscrimination in Education

The Board of Trustees desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities.

The Board prohibits, at any district school or school activity, unlawful discrimination, which includes discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the following categories: student's actual or perceived race, color, ancestry, national origin, nationality, ethnicity, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression or association with a person or group with one or more of these actual or perceived characteristics.

Unlawful discrimination also includes disparate treatment of students based on one or more of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

Unlawful discrimination may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct that is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

Discrimination Based on Gender, Gender Identity, or Gender Expression

Regardless of whether they are sexual in nature, acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on gender, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment are prohibited.

Gender identity means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense of the student's gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth. Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code [210.7](#))

Examples of types of conduct which are prohibited in the district and which may constitute unlawful discrimination based on gender, gender identity, or gender expression include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity
2. Disciplining or disparaging a student or excluding the student from participating in activities for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the bathroom that corresponds with the student's gender identity
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of another sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Use of gender-specific slurs
7. Physical assault of a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with this policy and the corresponding administrative regulations (cf. 5145.3, 1312.3). Transgender student means a student whose gender identity is different from the gender he/she was assigned at birth. Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Notice and Training

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall

regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Complaints

All complaints alleging unlawful discrimination shall be investigated in accordance with the corresponding administrative regulation and the district's uniform complaint procedures (AR 1312.3). This includes complaints alleging discrimination against transgender, transitioning and gender-nonconforming students.

Complaints of unlawful discrimination based on gender, gender identity, and gender expression may include, but are not limited to, the above-referenced examples (1)–(7), as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of unlawful discrimination.

Prompt action shall be taken to stop any discrimination, prevent recurrence, and address any continuing effect on students. Specific measures to prevent discrimination are set forth in the corresponding administrative regulation.

Discipline

Students who engage in unlawful discrimination in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence(s) and/or discipline including, but not limited to, suspension or expulsion in accordance with Education Codes 48900 et seq.

Any employee who permits or engages in unlawful discrimination shall be subject to disciplinary action, up to and including dismissal.
