QUESTIONS AND ANSWERS

Question #1:

Are vendors able to bid on the Leased Lit Fiber portion only?

Answer #1:

“IP services requested in section 8.2.0 of the RFP are needed. USAC’s current (informal) guidance about how to bid out requests for Internet access have indicated that the leased lit fiber option should be selected (in addition to the Internet access options). If you do not offer the IP solutions as requested in section 8.2.0 then your bid would not be responsive to the services requested.”
