

Sun Prairie High School Traffic Safety Plan

School Area Map is on the last page of the plan (page 2)

The Sun Prairie Area School District is committed to providing students, staff, and visitors a safe, secure, and welcoming environment. We appreciate parents, guardians, and community members supporting our safety and security activities. Thank you for helping us by being a role model for our students.

The school traffic safety plan is developed to help students, staff, parents, guardians, and community members understand how to arrive at and depart from each school in a safe manner. Thank you to parents/guardians and more mature students for helping others to understand the plan. If you have any questions, please ask any staff member or the principal for more information. Please read and use the traffic plan for the school. Students, parents/guardians, please know and follow the expectations outlined in the plan.

We encourage students to walk and bike to and from school every day that weather permits. More mature students may want to travel with younger students. This is a healthy activity and a great way to start and end the day. If parents/guardians would like to spend time at the school, please remember that visitors to the school must always sign in and out at the school's main office. Thank you!
