

## Canvas Parent Observer Account Information

1. Go to the [mcacubs.com](http://mcacubs.com) homepage → select the Parent tab at the top of the page and then under Resources click the Canvas link:

2. In the top right corner of the login page you will see Parent of a Canvas User? Click here for an Account.

3. You will be brought to the following page:

The screenshot shows the Canvas Parent Signup form. The form includes fields for 'Your Name', 'Your Email', 'Password', and 'Re-enter Password'. The 'Student Pairing Code' field is circled in red, and a red arrow points to the 'What is a pairing code?' link. Below the form, there is a checkbox for 'You agree to the [terms of use](#) and acknowledge the [privacy policy](#)'. At the bottom, there are 'Cancel' and 'Start Participating' buttons.

4. Your student will need to send you a Pairing Code to set up your account. Here are the [instructions from Canvas for sending a Pairing Code](#):

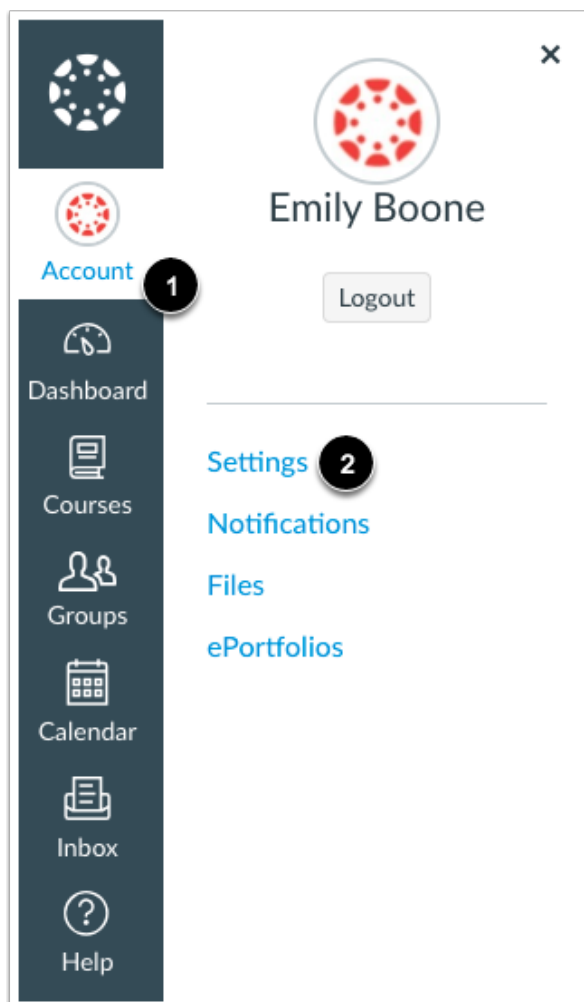

You can generate a pairing code to link an observer to your Canvas account. An observer can enter the pairing code [in their User Settings Observing tab](#). You must create a separate pairing code for each observer who wants to link to your account.

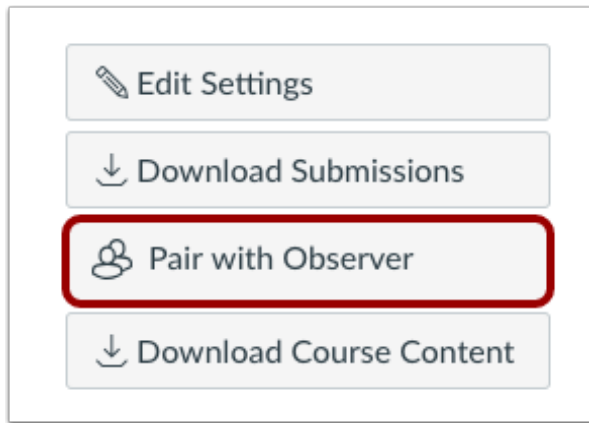

An observer may be your parent, guardian, mentor, counselor, or another individual who needs to view your Canvas courses. Linked observers can view and participate in certain elements of your Canvas courses. For more information on the observer role, view the [Observer Visibility and Participation PDF](#).

## Open Settings

In Global Navigation, click the **Account** link [1], then click the **Settings** link [2].

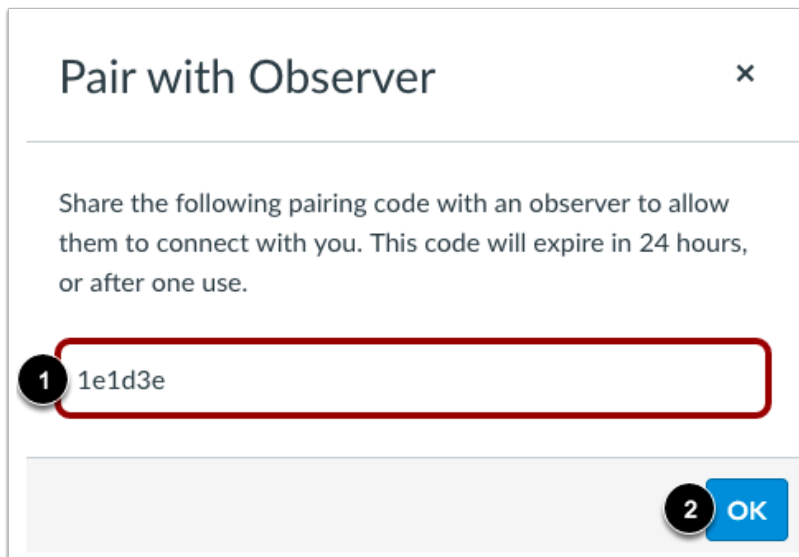

## Pair with Observer

Click the **Pair with Observer** button.

## Copy Pairing Code

Copy the six-digit alphanumeric pairing code [1]. You will need to share the code with the observer who will link to your account. The pairing code will expire after 24 hours or its first use.

To close the window, click the **OK** button [2].
