The building where Southgate Adult and Community Education program resides hereinafter will be referred to as "SACE" or "Union".

ARTICLE I RECOGNITION

- 1.1** The School District hereby recognizes the Union as the exclusive and sole bargaining representative for all full and part time certified teachers, teaching in the alternative education program, [SACE program] excluding advisors and all others.
- 1.2** The School District agrees not to negotiate with any teachers' organization other than the Union for the duration of this Agreement.
- 1.3** The terms "employee" or teacher" when used hereinafter in the Agreement shall refer to all employees in the bargaining unit as defined above.

ARTICLE II MEMBERSHIP, FEES AND PAYROLL DEDUCTIONS

2.1 All teachers as a condition of continued employment shall either:

- A. Sign and deliver to the Payroll Office an assignment authorizing deduction of membership dues and assessments of the Union (including the Local, National and Michigan Education Associations) and such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of a given year. Such sums shall be deducted equally from each pay starting with the second pay in the school year and ending with the 20th pay of the school year from the salary of all teachers authorizing deductions and remitted each pay day to the Union. Teachers joining the Union at the beginning of the second semester and signing and delivering to the Personnel Office an assignment authorizing deduction of said membership dues, will have dues for that semester deducted from the pay periods commencing with the first pay of February, in the same manner as above, or
- B. Pay to the Union a representation fee to be established by the Union but in no event greater than the Union's regular dues. Such sums shall be paid, or upon written authorization deducted equally from each pay, starting with the first pay of October through the last pay of the school year from the salary of all teachers authorizing deductions and remitted each pay day to the Union. Teachers beginning their employment at the beginning of the second semester and signing and delivering to the Personnel Office an assignment authorizing deduction of said representative fees will have fees for that semester deducted from the pay periods commencing the first day of February in the same manner as above.
- C. Teachers at any other time of the year must pay dues or service fees on a prorated basis. These dues or service fees may be paid as outlined in 2.1 A or B.
- D. Failure of a teacher to make prompt payment of the dues or representation fee shall be recognized as reasonable and just cause for discharge by the School District provided:
 - 1. The Union shall notify the teacher of noncompliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for discharge will be filed with the School District in the event compliance is not effectuated.
 - 2. If the teacher fails to comply, the President of the Union may file and must sign charges in writing, with the School District, and shall request termination of the teacher's employment. A copy of the notice of noncompliance and proof of service shall be attached to said charges.

MEMBERSHIP, FEES AND PAYROLL DEDUCTIONS (continued)

3. The School District, only upon receipt of said charges and request for termination, shall conduct a meeting on said charges, and to the extent that said teacher is protected by the provisions of the Michigan Teacher Tenure Act, all proceedings shall be in accordance with said Act. In the event of compliance at any time prior to discharge, charges shall be withdrawn.

The Parties agree that the provisions of article 2.1 “Membership Fees and Payroll Deductions” shall be extended and continued through June 30, 2018.

- 2.2 A discharge pursuant to this Article shall be at the end of the school year during which non-compliance has occurred. Provided, however, a teacher contesting the validity or legality of this article shall not be discharged until the teacher has exhausted all legal remedies.
- 2.3 The Union shall return any and all dues or service fees to the School District which have been deducted and remitted to the Union in error.
- 2.4 The discharge of a teacher for failure to pay Union dues or agency shop fees shall not be subject to the grievance procedure.
- 2.5 Upon written authorization from the teacher, the School District shall deduct from the salary of any teacher and make appropriate remittance for voluntary contributions to annuity plans which have been approved by the parties, credit union, savings bonds, United Foundation donations, or any other plans or programs jointly approved by the Union and the School District. Additional annuity plans shall be available for payroll deduction upon the joint approval by the Union and the School District.
- 2.6 **AGREEMENT OF INDEMNITY:** The Union shall relieve the School District of any financial exposure due to enforcement of the agency shop provision. It is agreed that in the event a teacher is notified of the discontinuation of employment under Article 2.1 D of the contract and the teacher shall contest the same, the Union shall bind itself to pay any expenses, costs, fees, obligations, or losses of any kind which may rise in connection with any phase of said contest. Legal counsel in any connection arising under this provision shall be selected by the Union.

- 21.9** The time limits provided in this Article shall be strictly observed by all parties involved but may be extended by written agreement of the parties. If the time limits are not observed by the School District representatives, the grievance shall be timely filed at the next step.
- 21.10** No decision in any one grievance shall require a retroactive wage adjustment in any other grievance, unless such grievance has been designated as the representative grievance by mutual written agreement by the parties.
- 21.11** Any grievance settlement reached between the District and the Union is binding on all teachers affected and cannot be changed by any individual unless otherwise indicated in the settlement.

- 21.13** Duplicate grievance forms should be provided to accompany the grievance through administrative channels (levels) and Union channels (levels). Duplicate signatures shall be affixed to all levels.
- 21.14** If a grievance occurs after April 1, then the time limits set forth in all Levels under "school days" shall be amended to read calendar days, and then the time limits will be enlarged by two additional calendar days. If the last day of an applicable time period falls on a Saturday, Sunday or legal holiday, then the time period shall run to the next day that is not a Saturday, Sunday or legal holiday.

ARTICLE XXII NEGOTIATION PROCEDURES

- 22.1** In any negotiations between the parties, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party, and each party may select its representatives from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the teachers in the bargaining unit voting in the election, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- 22.2** Both parties agree to submit the final Agreement for ratification to their appropriate bodies on the same mutually agreed upon calendar day. The parties will both attach their signatures after ratification within twenty-four (24) hours. The Agreement shall be signed in duplicate. One copy shall be for the School District and one copy for the Union.
- 22.3** Submission of all tentative Agreements reached by both parties and duly signed will constitute the contract submitted to the respective parties for ultimate ratification. Any omissions of sections or articles heretofore agreed to and signed by both parties will be considered part of the negotiated document and will be submitted for ratification to both parties within fifteen (15) days after notification of the omission/omissions by either party.

ARTICLE XXIII PROCEDURE FOR HANDLING STUDENT DISCIPLINE CASES

- 23.1** Before there can be a positive learning climate in the classroom, there must be effective organization and instruction on the part of the teacher with reasonable support from the administration. A reasonable and consistent discipline policy shall be established within each school and shall be reviewed with the building staff at the initial staff meeting each year.
- 23.2** Whenever it appears that a discipline problem requires the attention of special counselors, social worker, law enforcement personnel, physicians, or other available professional persons, the administration will take steps to assist the teacher with respect to such problems.
- 23.3** It shall be the joint responsibility of the administrator and teacher to develop techniques and materials to handle individual discipline problems in the classroom if the teacher requires assistance. A teacher may use reasonable measures to protect himself or herself from attack or to prevent injury to another student.
- 23.4** A student may be removed from class that particular day and sent to the office by the teacher when the intensity of the offense, the persistency of the misbehavior or the disruption of normal classroom instruction makes the continued presence of the student in the classroom intolerable. Upon request, a written report of the incident and reasons for removal shall be submitted by the teacher to the Principal within twenty-four (24) hours. Upon request, the Principal will reply in writing to the teacher within twenty-four (24) hours of the student's re-admittance to the class identifying the steps taken to correct the situation and acknowledging the teacher's written referral.
- 23.5** The student shall be readmitted after a conference with the teacher and other concerned parties and steps have been taken in an attempt to remedy the problems.
- 23.6** When a teacher has more than one student in a class who constitutes a serious behavioral problem, they should be referred to an advisor or, if appropriate, to the Building Supervisor. If, after exhausting all appropriate agencies, the problem still exists, the parties shall consider transfer or mutual exchange of pupils as suggested methods of resolving the problem.
- 23.7** A continuous written record of the individual discipline cases will be maintained in the Building Supervisor's office. Such records shall be used for the intelligent administering of penalties within the scope of the Board of Education policy.

ARTICLE XXIV CLASS SIZE

- 24.1** Both parties recognize that the availability of optimum school facilities for both student and teacher is desirable in an attempt to provide the highest possible quality of education, which is the goal of both the School District and the Union.
- 24.2** Realizing that the teacher-pupil ratio may be an important aspect in an effective educational program for students, the parties agree that class size will be given consideration when financial resources and facilities are available. In addition, it shall be the goal of the school district for a teacher – pupil ratio of 1:32. Any overage will be by mutual consent of the teacher and director or advisor.
- 24.3** All the aforementioned efforts will be made to accommodate class size recommendations with regard to lower class sizes for classes designated as remedial.
- 24.4** Upon request, the Director agrees to meet with the Union during the first month of the school semester to alleviate and mutually resolve any imbalances in grade level or subject areas.

ARTICLE XXV STRIKES

ARTICLE XXVI MISCELLANEOUS PROVISIONS

- 26.1** This Agreement incorporates the entire understanding of the parties on all issues which were the subject of negotiations. During the term of the Agreement, neither party will be required to negotiate with respect to any such matter whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. This article shall not be construed as prohibiting the parties, upon mutual consent, from negotiating upon items of mutual concern. This Agreement may not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.
- 26.2** This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with the terms of this Agreement.
- 26.3** The parties did not intend any provision of this Agreement to be contrary to the rights of a teacher, Union, School District, or School Board under the Michigan General School laws or the Constitution of Michigan or the Constitution of the United States. If any Article or Section of this Agreement or any Appendix thereto shall be held invalid by operation of law or by any tribunal of competent jurisdiction, or if restrained by such tribunal pending a final determination as to its validity, the remainder of this Agreement and any Appendix thereto, or the application of such Article or Section to persons or circumstances other than those as to which it has been held invalid or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.
- 26.4** In the event that any provision of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction or an appeal to a court of last resort, such decision shall necessitate immediate renegotiation of this provision. However, all other provisions of this Agreement shall continue in effect.
- 26.5** The School District and the Union agree not to discriminate against any employee on the basis of race, creed, color, sex, national origin, marital status, or disability. An alleged violation of this Section may be processed in the appropriate Federal/State administrative or judicial forums.
- 26.6** The School District and the Union shall abide by the Americans with Disabilities Act.
- 26.7** In the event the district wishes to introduce a program of blended learning for Students and the funding is similar to that of the work performed at SACE, the Employer agrees to meet, confer, and negotiate with the SAEA to agree to terms And conditions with respect to such employment.

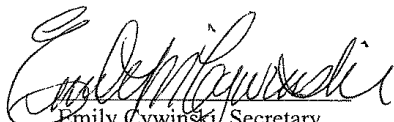

ARTICLE XXVII DURATION OF AGREEMENT

- 27.1 The parties shall negotiate in good faith with regard to insurance and compensation in the current elective bargaining agreement for the 2013-2014, 2014-2015, 2015-2016, 2016-2017, and 2017-2018 school years.
- 27.2 This Agreement shall be effective as of July 1, 2013 through and shall continue in effect until June 30, 2018. At midnight June 30, 2018 this Agreement shall terminate.
- 27.3 IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed on the day and year written below their signatures.

MEMORANDUM OF AGREEMENT
Between
The Southgate Alternative Education Association
And
The Southgate Community Schools

1. Effective on the September 26, 2014 pay, per our contract the 3% concession will be removed. For the first pay of 2015-2016 school year the unit will move to the three (3) step schedule identified in Appendix A.
2. Beginning with the October 10, 2014 pay, the SAEA agrees to assist the district to meet the \$3,000,000 deficit reduction target identified in the Deficit Elimination Plan for the 2014/15 school year.
 - a. The SAEA portion of the \$3,000,000 deficit reduction is defined as the percentage of total district payroll absorbed by SAEA members. The district and SAEA agree to meet to ascertain this exact percentage.
 - b. The SCS employee share of past debt is calculated at \$2,330,315.00. The SAEA percentage will be multiplied by \$2,330,315.00 to establish the total SAEA concession.
 - c. 50% of the first year target number will be distributed as a percentage among all SAEA members and will show up as a payroll deduction taken over 19 pays.
 - d. This concession will be taken as a Section 125 deduction to offset the total district healthcare insurance costs. Therefore, this contribution is not subject to taxes, but will be reported to the ORS as earnings. This applies to those members who carry health care through the district. For those members who are part time or who opt out of district provided health care the concession will be an after tax deduction.
 - e. Due to the size of the SAEA unit and the fact the program has traditionally generated a fund surplus the parties agree to meet to determine ways to mitigate the contribution made to eliminate the deficit.
3. The parties will meet and confer on a continual basis to exchange suggestions regarding methods of increasing revenue and reducing costs to the district. Neither party shall have an obligation to agree to a proposal.
4. Parties have agreed that the staffing cuts already made for the 2014/15 school year of \$1.7 million (reduced by step increases and the elimination of the 3% concession) will reduce the agreed upon deficit identified in the board approved budget of June 24, 2014 (4.5 million less the impact of the projected impact of the loss of 250 students at \$1.8 million) to \$2.3 million. The SAEA percent of the remaining 50% of the \$2,330,015.00 will be eliminated during 2015/16 through the mutually agreed upon concessions.

5. When the remainder of the current debt is eliminated through the agreed upon concessions, the concessions will stop. The parties agree to meet on or before June 30 to adjust the concession to reflect the remaining \$699,478.00 for the 2015/16 school year.
6. All other terms and conditions agreed to through previous negotiations and approved by both parties are unaffected by this memorandum and are carried forward without change.
7. From this date forward the District and SAEA agree to collaboratively develop and implement financial practices that support the objective of the Strategic Plan while ensuring that the District lives within its means.

MEMORANDUM OF AGREEMENT

THIS AGREEMENT (hereinafter "MOA") is entered into as of the 16TH day of JUNE, 2015, by and between SOUTHGATE COMMUNITY School District ("Employer") and the SOUTHGATE ALTERNATIVE EDUCATION Association (the "Association") does hereby amend the terms of the existing collective bargaining agreement ("CBA") that governs the employment relationship between Employer and the Association, as follows:

Effective July 1, 2015, the Employer and Association agree to the following:

MANDATORY CLAUSES

1. No Cash Option No employee may receive cash in lieu of or as an alternative to any of the Employer's Non-elective Contribution(s) described herein.
2. Contribution Limitations In any application year, the maximum Employer Contribution shall not cause an employee's §403(b) account to exceed the applicable contribution limit under §415(c)(1) of the Internal Revenue Code of 1986, as amended (the "Code"), as adjusted for cost-of-living increases. For Employer Non-elective Contributions made post-employment to former employees' §403(b) accounts, the Contribution Limit shall be based on the employee's compensation, as determined under §403(b)(3) of the Code and in any event, no Employer Non-elective Contribution shall be made on behalf of such former employer after the fifth taxable year following the taxable year in which that employee terminated employment.

In the event that the calculation of the Employer Non-elective Contribution referenced in any of the preceding paragraphs exceed the applicable Contribution Limits, the Employer shall first make an Employer Non-elective Contribution up to the Contribution Limit of the Code. To the extent that the Employer Non-elective Contribution exceeds the Contribution Limit, such excess shall be reallocated to the Employee the following year as an Employer Non-elective Contribution (which Contribution shall not exceed the maximum amount permitted under the Code), and in January of each subsequent year for up to five (5) years after the year of the Employee's employment severance, until such time as the Employer Non-elective Contribution is fully deposited into the Employee's §403(b) account. In no case shall the Employer Non-elective Contribution exceed the Contribution Limit of the Code.

3. §403(b) Accounts Employer contributions shall be deposited into the §403(b) account selected by the employee to receive Employer contributions, provided such account will accept Employer Non-elective Contributions. If the employee does not designate a §403(b) account to receive Employer contributions, or if the account designated will not accept Employer Non-elective Contributions for any reason, the Employer shall deposit contributions, in the name of the employee, into an account with an approved vendor.

4. This MOA shall be subject to IRS regulations and rulings. Should any portion be declared contrary to law, then such portion shall not be deemed valid and subsisting, but all other portions shall continue in full force and effect. As those portions declared contrary to law, the Association and Employer shall promptly meet and alter those portions in order to provide the same or similar benefit(s) which conform, as close as possible, to the original intent of the parties.

OPTIONAL CLAUSES

Employer Non-elective Contribution Equal to Termination Pay The Employer agrees to make an Employer Non-elective Contribution to the §403(b) account of each covered employee, who severs their employment with the Employer during the contract year and who is eligible to apply for and who commences their retirement from the state sponsored retirement system. The amount of the Employer Non-elective Contribution shall equal the accumulated leave days (Termination Pay) benefit which is specified in Section 18 of the Collective Bargaining Agreement. The amount of Employer's contribution for each eligible employee shall equal the value of each such employee's accumulated leave days, determined in accordance with Section 18 of the Collective Bargaining Agreement. The Employer shall make the maximum contribution permitted under §415(c)(1) of the Code for the year in which the employee severs employment. The Employer shall deposit the contribution no later than 30 calendar days following the employee's severance date or the date of the final payment of the employee's contract amount, whichever is later.
