

## MONTCLAIR KIMBERLEY ACADEMY

August 2018

Dear Primary School Families,

It is a pleasure to add my welcome to Rachel Geringer-Dunn's letter sent to you earlier this week. As the new Associate Director of Admissions at the Primary School campus, I am looking forward to meeting you all, and to begin an exciting school year with you and your families very soon.

As can be the case, despite best efforts from all of the teams working diligently on the Brookside construction project, we have just been advised that an amendment to next week's parent orientation schedule is now required. We will host our parent orientation meetings at the MKA Middle School, which is located at 201 Valley Road. The dates and timing for each orientation will remain the same (see below). Our building entry and parking lot are located just off Valley Road, on Brunswick Road.

**Pre-K Parent Orientation:** Wednesday, August 29 at 7:00 – 8:30pm.

**Kindergarten Parent Orientation:** Thursday, August 30 at 6:30 – 8:00pm.

At present, all other back to school dates and events remain as planned.

We appreciate everyone's understanding during our preparations to have the Primary School campus ready to receive students on the first day of school.

We look forward to seeing you at the Middle School next week.

Warmly,

Helen Makohon  
Associate Director of Admissions  
Primary School
