

LOWER SCHOOL RIDING PROGRAM

Garrison Forest School offers a Riding program for students Kindergarten through Grade 5.

Designed for younger riders, the Lower School Riding program includes lessons focusing on skill development and basic horse care, including grooming and tacking-up. Mounted and unmounted training develops a thorough base of equestrian knowledge, skills and abilities, as well as competitive edge.

For continued safety and individual success of each rider, class size is limited and enrollment is on a first-come, first-served basis.

Costs:

\$550 (once/week); During P.E., each grade will have an assigned day. The schedule is assigned based on grade level.

Additional Lessons After School:

\$1,050 (twice/week)

\$1,575 (three times/week)

For school events, make-up lessons may be scheduled on half-days and professional development days.

Apparel and Equipment Needed:

All riders must be dressed in long pants, preferably jodhpurs, boots with a heel and have an appropriate (ASTM-approved) riding helmet with a harness. Students are allowed to wear their riding clothes to school on the days that they ride.
