

Highlights of Quick Step Plus College Algebra-QSPCA

ATTENTION- This is not a College Now course

What Is It?

QSPCA is an independent study self-paced course not a College Now course. Your college credit is determined by assessment of the course material by a JCCC professor not a high school teacher.

When Is It?

- A year-long College Algebra course. Fall 2018 – Spring 2019.
- Enrollment deadline for QSP College Algebra is **October 5, 2018**.

Why Do This?

- Saves time. College Algebra may be the last math class needed for a degree.
- Saves money. Lowers the cost of overall college education.
- Smaller class size.
- Slower pace. Self-paced math courses allow up to 9 months to complete the course.
- College Algebra will transfer to any Kansas public university.

How Does the Student Participate?

- Apply to JCCC (no cost to apply)
- Meet the prerequisite to take College Algebra in one of the following ways:
 - ACT math sub-score of 25+
 - A “C” or higher in JCCC’s Math 116
 - Place in College Algebra on the ACCUPLACER math placement test. (See link below for ACCUPLACER study materials)
- Enroll and pay by **October 5, 2018, the enrollment and payment deadline**.

Cost: Enroll and Pay for 3 credit hours in the Fall only.

Resident	Credit Hour Cost	3 Credit Hours Cost
Johnson County	\$93	\$279
Non-Johnson County Resident	\$110	\$330
Metro-Rate	\$135	\$405
Out-of-State and Visa Holders	\$220	\$660
