

Welcome to the 2018-2019 School Year!

Stonington Public Schools participates in the National School Breakfast (NSB) and National School Lunch Program (NSLP). Our program offers a wide variety of menu and a la carte items. Meal prices will be remaining the same this year:

School Level	Breakfast	Lunch
Elementary	\$1.50	\$2.90
Middle	\$1.75	\$3.10
High	\$2.00	\$3.25
Reduced	\$0.30	\$0.40
Adult	\$2.25	\$4.00

We offer multiple meal payment options for parents and guardians to choose from:

1. Cash in an envelope with your child's full name or 4-digit PIN.
2. Check made out to SPS Nutrition Services. Include your child's full name or 4-digit PIN on the remittance.
3. Online payments using EZ-Pay, www.spsezpay.com/stonington. You will need your child's student ID number to set this up. Please contact me at any time via telephone or email for this information.
4. Attached is the free/reduced meal application, which may be found on the Nutrition Services website, www.stoningtonschools.org/nutrition. Students receiving free lunch also receive free breakfast. If you think your child may be eligible for meal benefits, please fill out both required pages and turn in to the office, your child's teacher, or any cafeteria staff member. **Families receiving SNAP benefits automatically qualify for free meals.**
5. Any unused balances will carry over to the following school year or may be transferred into a different account at the parent/guardian's request.

If your child received free or reduced meals for the 2017-2018 school year, s/he will receive the same benefits for the first 30 days of school. **If you have not received a meal benefits notification letter by September 30, 2018, please contact me.** This means that your child(ren) does not have new paperwork on file and will revert to a full price student on October 16, 2018.

Please email or call me at any time with questions or concerns you may have, such as needing your child's 4-digit PIN or 7-digit student ID number.

Thank you for supporting our school meals program. We look forward to feeding your children this year!

Sincerely,

Becky Fowler, MS, RDN, CDN
