

WESTLAKE GIRLS GOLF TEAM

HANDBOOK
2018-2019

Philosophy

The philosophy of the Westlake Girls Golf team is to provide a competitive, safe, and healthy environment in which to give our athletes the greatest opportunity to reach their full potential both on and off the course. We strive for our athletes to acquire the values of composure, confidence and commitment: *composure* to maintain focus and persevere when things gets tough; *confidence* in their knowledge and abilities through proper preparation; *commitment* to follow through in game plans, finish strong, and find a way to improve in some way every day.

Expectations

Participation in Eanes ISD extracurricular activities is a privilege and not a right. Therefore, the behavior expectations set forth in the Eanes ISD Extracurricular Code of Conduct as well as the expectations of the Westlake Girls Golf team exceed the behavior expectations set forth in the Eanes ISD Student Code of Conduct.
