

# College Resources

For Juniors - 2017

# MCIS or NAVIANCE

## MCIS

- Junior students now have access to MCIS for career and college research
- Only your child has a login - you can ask them to share if you want to log in and look around
- Any searches your child does can be saved!

\*\*NAVIANCE - Coming soon!

# BIG FUTURE

## Big Future

- Big Futures is a free research website provided by the College Board
- Students can create their own accounts, complete college searches and save their favorites.
  - Also lots of career research on here too! Again, it is free!

# COLLEGE SCORECARD

## College Scorecard -

- Can search for and compare colleges side by side
- Searches cannot be saved from one session to the next but might be a way to find schools to add to the students list in MCIS

# Financial Aid Resources

Good Places to begin:

1. [FAFSA4caster](#)
  - a. Quick check to see what you (approx) will be eligible for when completing the FAFSA next year.
2. College website - [Net Price Calculators](#)
  - a. Quick way to see what you might qualify for at each particular school
  - b. Note: Private institutions typically have more scholarship money to give to their students! Do not let the sticker price scare you away!

# More Great Resources

Always feel free to check out our Website, updated monthly with great resources for both parents and students

Your students Dean is also a great resource! Junior Meetings will begin in late January so do some research now and come to your meeting with questions!
