

Introducing  
Georgia's new **FREE** online  
resource to help students and their  
families plan for and succeed in college.

**GAfutures.org** is loaded with tools and information that will  
make the process of searching, applying and paying for college easier.

### **Explore colleges and other postsecondary education options**

Whether you want to stay in Georgia or hit the road, the national college search on **GAfutures** will help you find the school that's just right for you.

### **Find and apply for state and federal financial aid**

HOPE Scholarship, Student Access Loan, Move On When Ready, Pell Grants and Work-Study are all forms of financial aid. Find out if you're eligible and what forms you need to submit.

### **Search for other scholarships – local and national**

There are thousands of scholarships available to help all types of students pay for college. Are you a vegetarian? An aspiring writer? An avid volunteer in your community? Then there may be a scholarship out there for you.

### **Plan for your future**

Take career and interest assessments to help determine what you might want to do after college. Knowing your career goals early can help in your search for the right school.
