Library News with Mrs. Veenhuizen

I am so excited to start the 2018-2019 school year at MDE!

This is my first year as librarian, and I am absolutely thrilled. I have loved books and reading my whole life!

This year in the library I will focus on matching "just right" books to every student in order to build a life-long love of reading.

I also plan to support students in becoming responsible consumers and producers of technology.

I look forward to a great year!

Art News with

Mrs. Kaya

Dear MDE students:

I am very excited seeing you all and want to welcome you back to school!!

We will have a fantastic school year together and create some amazing artworks that illustrate our creative minds and unique ideas at MDE!! As you know, we started our new school year with a motto:

#PowerOfWe@MDE!!!

To emphasize our motto in a creative and unique way, the first week of school we collaborated on a school-wide project, a very large mural that showcases drawings of our own self-portraits, all grades from Pre-K through 5th grades. MDE artists: I can't wait to see more of your colorful and powerful artworks as the year comes along!!

Have a wonderful school year!

-Mrs. Kaya

Health Fitness News with

Coach Davis &

Coach Nguyen

Howdy Y'all! My name is Coach Davis and I am so excited to be leading the health fitness here at MDE.

I have such a passion for health and for children that I thought I would just combine those and become a super, fun-loving, easy-going health fitness coach.

This year I hope that the kids will learn from me and see how important a life of healthy choices can be. Also, I hope that my energy can become infectious, and that even the students will want YOU to join in on the healthy choices with them.

If you have any questions or just want to meet do not hesitate to call, email, or setup a meeting with me! Have a great year!
