March 26, 2018
Burton Elementary School Library Meeting Room
827 East 200 South
Kaysville, UT 84037
4:00 p.m.

Call to Order: April Pohlman

Welcome, Introduction of guests:

Announcements:

Learning First! Planning Day- March 26, 2018 8-1pm @ Davis School District,
Kendell Building (at least one parent member of SCC needs to attend)

Roll call and approval of the last meeting minutes: LeeAnne Jackson

Mindy motioned to approve the minutes from last meeting. Jen seconded. Vote to approve was unanimous.

Trust Land Budget Review: Burton Administration

Items of Business:

1. Publications to the community on LAND trust expenditures for 2017-2018 (see flyer)

Tabled until next month.

2. Approval for 2018-19 SIP and LAND trust expenditures plan

- a. Approximate allocation for Burton Elementary is \$74,000

Plans from 2016-2017, 2017-2018 and next year (2018-2019) were distributed for review. Jeremy asked if the land trust funding projections for the 2017-2018 and 2018-2019 years are accurate. April advised that the district said all looks good.

The council read through the 2018-2019 proposed plan and discussed each goal as follows:

Goal 1 – the focus is on grades K-3 because that is where the growth is measurable by the DIBELS testing.

Goal 2 – using Pre and Post unit tests to measure improvement in GoMath program

Goal 3 – reduce discipline tickets; continue using the “Leader in Me” program but improve implementation. Use this year’s # of tickets as a benchmark. Discussed coordination with the PTO to inform parents about how the “Leader in Me” program is being used at school and how they can reinforce the principles at home. All school faculty including playground duties will be trained in conflict resolution according to the “Leader in Me” program.

Goal 4 – Need to amend the plan to include supplies for the STEM teacher. Add \$1,000 to general supplies.

Goal 5 – Discussed the Moby Max software and how the teacher training scheduled for the summer of 2018 will address the features available so the teachers can take full advantage of the program. Add \$3,000 to this goal for repair and maintenance of technology.

Mindy called for a vote to approve the proposed school improvement plan, Stefanie seconded. Vote to approve was unanimous. All members of the council present signed the plan.
