

Totino-Grace High School Registration Planning Form 2018 - 2019 School Year - Class of 2021

The purpose of this planning form is to help you get a four-year look at your academic program at Totino-Grace High School. If you plan carefully, you will leave Totino-Grace having met all of the graduation requirements and having completed a comprehensive course of study that will prepare you for whatever you choose to do after high school. Consult the online **Academic Guide** for general college requirements.

Required courses (**except the World Language, Health, and Fine Arts requirements**) are already listed for each grade level.

Start by writing in how you plan to complete your World Language (2 years of a single world language), Health (one semester), and Fine Arts (one semester) requirements.

Then plan a tentative academic program for your four years of high school by filling in elective courses.

Grade 9

- | | |
