Attention Parents:

When President George W. Bush signed the bill into law as P.L. 107-110 on Jan. 8, 2002, our federal government made the Title 1 Program a priority. The objective is to help all students become more effective and efficient learners and to help them become proficient in their state test scores.

We need your involvement! Whether it is volunteering in the classrooms or being involved in school site meetings, please let us know how you want to help us make Quartz Hill High School the best school possible. We are holding a Title 1 Meeting on August, 28, 2018, at 6:30 p.m. in Room 220. GO REBELS!
