T-Shirts are Here!

Fridays will be so JOYful!

Q: How do I pick up my student's SerraStrong T-Shirt?

A: T-Shirts will be delivered to the homeroom of your oldest student during the first week of school. Pick up was only available at the SerraStrong event.

Q: When do the students wear the SerraStrong T-Shirts?

A: All Fridays, with their uniform bottoms. If the student has PE on Friday, then they wear their SerraStrong T-Shirt with their PE bottoms.

Q: Are there exceptions?

A: Yes, there are:

- Formal Uniform for mass, field trips etc.
- Harvest Festival T-Shirts can be worn in lieu of the SerraStrong shirt, if the student's PE day is Friday, until Christmas.

Here is the full explanation:

"The SerraStrong T-Shirt is a required uniform garment to be worn with any uniform bottom on ALL FRIDAYS, all year long, EXCEPT FORMAL UNIFORM Fridays (ie. Mass, Field Trip, Retreat). If your student's PE day is on Friday, they must wear their SerraStrong T-Shirt instead of the PE T-Shirt. The only exception is the Harvest Festival t-shirt, which can be worn instead, on all PE days through December.

Q: What date do the students wear the SerraStrong T-Shirts for the first time?

A: Friday, September 14th. And if you did not receive your student's shirt yet, the regular uniform shirt of the day can be worn.

Q: What if the student's T-Shirt needs to be EXCHANGED for a different size?

A: No problem! Please return the new, unused shirt in the original bag to the School Office, along with the size that you would prefer and Mrs. Tirado's Serra Spirit Store volunteer team will send home a new shirt, through the homeroom of the oldest student. **We are able to accommodate exchange requests until Friday, September 14th.**

Q: What are the grade level colors?

A: Preschool: Blue Tie Dye, TK & Kinder: Yellow, 1st: Purple, 2nd: Light Blue, 3rd: White, 4th: Orange, 5th: Green, 6th: Red, 7th: Royal Blue, 8th: Black

Q: Were these already paid for? When were these shirts ordered?

A: Yes! Last Spring, parents selected the shirt size they would like for each student, in the Educational Cost packet.
