

SAAS MIDDLE SCHOOL STUDENT DROP OFF ROUTES & LOCATIONS

There are **2 Drop off locations** we recommend for drop off of your MS student. Drop offs may occur between 7:40 am and 8:15 am. Officers & SAAS traffic support will be available to guide you during drop off.

Drop off location 1:

MS students may be dropped off inside the Gym/MS Garage. Enter the garage going West of Spring Street after turning Right off of 13th. *Officers may ask you to exit the garage going L OR R depending upon traffic.

Drop off location 2:

MS students may be dropped off on the W side of 13th if a space is available for a safe drop off.

NEW INFORMATION: Over-sized vehicles (those over 6'3") will be asked to drop off their student on 13th Avenue.

PLEASE DO NOT PARK AND LEAVE YOUR VEHICLE DURING PICK UP/DROP OFF.

NOTE: Route busses will take priority for space.

***Incoming traffic** should go clock wise around the block for a smooth drop off process. Please **AVOID** going North on 13th; East on Spring between 12th & 13th; or West on Spring between 14th & 13th.

Students should not attempt to cross any street mid-block and/or without a crosswalk.
