

# MEMORANDUM

**TO:** Board of Education  
Craig Carter, Business Administrator  
Gary R. Payne, A.I.A., Administrator of Facilities Management and Planning

**FROM:** Bryan J. Turner, A.I.A., Director of Architectural/Construction Services

**DATE:** December 6, 2016

**SUBJECT:** New Junior High School #17 Cm/Gc Services

---

Proposals from four different construction companies were evaluated by the Professional Services Selection Committee for construction manager/general contractor services for the New Junior High School #17 project. Firms were scored based on their qualifications, past performance and management plans. The Committee then interviewed the following construction firms:

Westland Construction  
DWA Construction  
Okland Construction  
Hogan & Associates Construction  
Hughes General Contractors

The interviewed firms were scored on their presentation and their proposed fees were evaluated.

We recommend the Board of Education award the highest scoring contractor for the New Junior High School #17 project to:

## **Hughes General Contractors**

*The District has worked with Hughes General Contractors many times in the past and is a proven Davis County company.*
