

## Community Council

March 14, 2018

**Those in attendance:** Darryl Denhalter, Kathy Chadwick, Kate Niederhauser, Ashlie Little, Jami Caldwell, Jim Wright, Annette Solt, Heidi Olson, Jean Bradford, Helena Langford and Brenda Turnbow

**Welcome-** Kate Niederhauser welcomed and reviewed the minutes from last month.

**Accomplishments-** Our grade 3-6 MATH SAGE Benchmark Pre-& Post Test Goal was met! We had an average of 24% improvement.

A shout out to the Columbia Students for making it into the Elite 8 of Imagine Learning Math. Columbia took the Imagine Learning State Cup again for the third year. Over 7,800 schools participate in this program.

**The 2017-2018 SIP Survey feedback was discussed.**

### Proposed School Goals

- After a discussion with teachers, it was stated that our first goal should be **Quality Staffing**. This will be accomplished by emphasizing training and implementation of Blended and Digital Learning—***BOLD School*** theories and practices. The teachers will be reading and implementing ideas from this book.
- Our 2<sup>nd</sup> goal will have a focus on K-3 Reading fluency.
- Our 3<sup>rd</sup> goal will continue with and emphasis on Math Proficiency for grades 3-6.

**Discussion on how to spend Trustlands Money for next year.** The list was narrowed down to what the faculty and Community Council felt was the most important.

**Security Issues:** Kate Niederhauser brought up School Safety. It was decided that we will invite someone from the District or Law Enforcement to our next council to discuss the District Policy.

### Upcoming Dates:

<b>March 28</b>	Learning First Planning Date (write final SIP draft)
<b>April 11</b>	SCC MTG (Review and approve SIP and discussion about school safety)
<b>April 13</b>	SIP Final Submission Deadline
<b>May 9</b>	SSC Mtg.
