

Columbia Community Council Minutes

Wednesday, January 10, 2018

4:00 p.m.

Those in attendance: Darryl Denhalter, Kathy Chadwick, Kate Eisenhauer, Christa Maynes, Jami Caldwell, Jean Bradford, Jim Wright, Annette Salt, Ashlie Little, Heidi Olson, Brenda Turnbow, and Helena Langford

1. Kate Niederhauser welcomed everyone and the minutes were approved from our last meeting. Kate turned the time over to Mr. Denhalter.
2. **School Goals-** The Columbia Elementary School goals were displayed and reviewed. Action plans and approximate budget allotments were shared. A discussion followed and it was decided that the teachers needed to be brought into this discussion for the purpose of narrowing down our focus to help facilitate decisions for the upcoming School Improvement Plan and to come up with an action plan.
3. **Trust Lands Funding-** Mr. Denhalter showed a short video from the State on Trust Lands and how funds are used around the State. We were encouraged to go to SchoolLandTrust.org if we wanted to learn more. It was projected that we might receive about \$70,000 next year. The Council decided to have teachers come to the next Community Council and present ways they think the Trust Lands money could be used. The Council wants to hear from teachers as to what they feel is needed at Columbia.
