

MEMORANDUM

TO: Board of Education
Craig Carter, Business Administrator
Gary R. Payne, A.I.A., Administrator of Facilities Management and Planning

FROM: Bryan J. Turner, A.I.A., Director of Architectural/Construction Services

DATE: July 18, 2017

SUBJECT: Farmington Bus Maintenance Facility Cm/Gc Services

Proposals from three different construction companies were evaluated by the Professional Services Selection Committee for construction manager/general contractor services for the Farmington Bus Maintenance Facility project. Firms were scored based on their qualifications, management plans and fee proposals.

We recommend the Board of Education award the highest scoring contractor for the Farmington Bus Maintenance Facility project to:

Hogan & Associates Construction

The District has worked with Hogan & Associates Construction many times in the past and is a proven Davis County company.
