		<b>Months:</b>	10

#### Summary of Basic Functions & Responsibilities

Under the supervision of an Assistant Principal, receives and processes incoming attendance accounting data from teachers, parents, students, administrators, law enforcement, and social services agencies; gathers, reconciles and disseminates attendance information. Trains and provides basic information to additional school staff for support of the Attendance Office. Provides technical assistance and prepares complex attendance reports and information for use by school site administrators and District personnel. Understands and works effectively with people of differing cultures.

#### Essential Duties & Responsibilities

Incumbents may perform any combination of the essential functions shown below. This position description is not intended to be an exhaustive list of all duties, knowledge, or abilities associated with this classification, but is intended to accurately reflect the principal job elements.

- Receives, verifies, and processes incoming attendance data from teachers, parents, students, administrators, and other agencies. Enters attendance data to a student information system using established data entry screens. Maintains records and analyzes attendance data on a period-by-period basis for each student.
- Provides technical assistance to the school site administrators and others concerning school attendance.
- Collects, consolidates, reconciles, and conveys attendance information to school site and District personnel who, in turn, will use the information for internal and external reporting. Runs data queries to locate missing data or errors. Audits other compulsory student data.
- Collects, compiles and maintains in a current condition all emergency forms for the students.
- Coordinates and participates in technical computer operations in the attendance office. Edits and revises data, generates information and reports as requested according to established procedures and time lines. Assists auditors and accounts for data as necessary.
- Communicates with students, parents, faculty, administrators and authorities regarding attendance, discipline, truancy and suspension. Initiates and receives phone calls and notes regarding student absences. Receives and relays messages to students and parents as necessary. Receives phone calls from concerned and irate parents.
- Prepares and maintains a variety of lists, records, and reports regarding student attendance, tardiness, truancy, suspensions and discipline. Reconciles and prepares monthly reports including ADA, Special Education, and submits them to the District business office.
- Completes reporting of positive attendance for supplemental programs.
- Prepares off campus passes and passes to classes for tardiness.
- Processes school related activity clearances such as sports and field trips.
- Refers serious attendance problems according to established procedures. Assists in identifying and resolving problems of students with frequent absenteeism.
- Analyzes a variety of data and processes according to established procedures. Assists in the periodic review of policies and procedures affecting attendance and provides input as necessary to improve automated or manual systems and procedures.

- Operates a variety of office equipment, including a personal computer, printer, voice mail, typewriter, calculator, copier, and autodialer.
- Must demonstrate knowledge of telephone techniques and etiquette.
- Provides a variety of clerical and technical assistance to administrators and other staff as required, including duties performed by a health assistant.
- Trains and may guide the work of other clerical staff, and student assistants.
- Performs other duties as assigned that support the overall objective of the position.
