

FREMONT HIGH SCHOOL (FUHSD)

TENTATIVE COURSE OFFERINGS 2018-2019

All students currently enrolled in the 9th or 10th grade must select a MINIMUM OF FIVE (5) COURSES and are encouraged to select SIX (6) courses from the listing below. When a student selects classes online, some courses will already be listed. These are the required classes by grade level or are determined by placement requirements. Students are expected to discuss course offerings with parent/guardians, and teachers. School personnel are available to assist students in course selection.

- Students can earn **PE credit** for participating in a sport. **Choose PE Athletics** as your PE class and submit a Sports Participation form. **Students MUST compete and complete the entire season to earn credit.**
 - Students who request an AP class must sign and submit an AP contract.
 - Students may request 6 classes.
 - Students can request a 7th class, but we do not guarantee all 7th class requests can be fulfilled. Students will be placed in a 7th class on a space-available basis. Historically, very few 7th class requests can be accommodated.
 - Students must provide **3 optional class choices**. If an elective choice requested by a student is full, the student must provide optional elective classes. If options are not provided, the student may not be given the number of classes they requested.
- **Students may select only one course per subject area in their first six requests.**
 - Students **can earn up to 85 credits** a year if the credits beyond 70 are earned by participating in Fremont athletics.
 - **Summer school** – Select your classes for next year assuming you ARE NOT going to summer school.
 - **Outside Summer School to advance:** Students who want to ADVANCE a level in math or science by taking a summer school class for credit at a school that is OUTSIDE of Fremont, MUST get approval by submitting a Request for Credit from an Outside Institution by **May 3, 2019.**
 - **Wise Choices** – please select classes carefully after discussing with parents, teachers, and guidance counselors. **You may not be able to change classes next year if you are overwhelmed with your workload (for example dropping from AP US History to college prep US History). All classes are filled to capacity before school starts and there is often no room to drop down.**
