Dear Parent/Guardian:

Before medication can be taken during school hours, it is necessary to have specific written orders from your physician and written authorization from you. The school MUST be notified of any alterations to the prescription that is taken at school. In addition, we ask that you notify us of any changes in the medication taken at home that might affect your child's behavior at school. **Medication must be in Original Pharmacy Labeled container with the student's name clearly visible**. Permission must be renewed each school year. Over-the-counter medication will be given only if prescribed by a physician or dentist and in the original container.
