

Life is a Collection
of *Moments*.
Help make those
Moments
COUNT!

Support the 2018-19
#TRAmoments
ANNUAL FUND

Bound for College.
Prepared for Life.

It Happens in a *Moment*

A smile in the hallway, a helping hand, a pat on the back, a hug, words of encouragement, an aha moment, a big win, a tough loss. These are defining *moments* that impact your child's educational experience. These *moments* don't happen to everyone everyday, but they do happen to someone every day at TRA. Please help us make this year full of defining *moments*, by supporting the *#TRAmoments* Annual Fund.

Every Gift Matters

Gifts to the Annual Fund provide a crucial bridge between tuition revenue and the actual cost of running the school, offering relief to the operating budget and directly impacting students, faculty and numerous programs across the campus.

Restricted gifts to a particular department, project or activity are greatly appreciated and allow you the opportunity to tell us how you would like your donation designated.

Thank you

Participation, at any level, is vital to the success of the Annual Fund. Full support speaks volumes to prospective families and donors. It says we wholeheartedly support the school's mission and is greatly appreciated.
