New Safety Procedures

I hope you noticed our new waiting area just inside the front doors. Please be sure to ring into the office. If you are picking up your child give the office their name, grade and teacher. The office will then call down to the classroom to have the child excused. We will be having our volunteer orientation at the end of September or early October. Please let your child's classroom teacher know if you are interested in volunteering. If you are volunteering in a classroom please have your schedule established with the classroom teacher. We look forward to partnering with you in your child's education and safety.

New Pick Up Procedures

This week you should have received a separate email regarding our new pick up procedures which we will begin on Monday, September 10th. Please help us ensure the safety of all our students. If you have any questions please contact the front office. Thank you in advance for your cooperation.

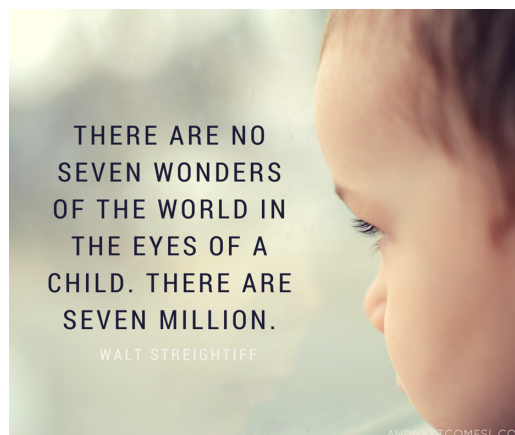

TLE Handbook

We will be updating our online handbook in the upcoming weeks. We have several changes and want to make sure you have all of the correct contact information.

Final Thoughts

I hope this school year is a wonderful experience for each and every child in our care. We look forward to partnering with you in creating lifelong learners.

Mrs. Melton
